Re: Precision Brand Products, Inc. -- Response to Request for Information

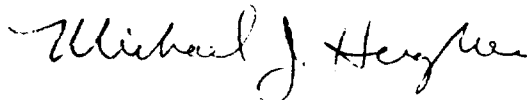

Dear Ms. Ropski:

Enclosed are the Responses of Precision Brand Products, Inc. to the U.S. EPA's Request for Information dated January 30, 2002, including copies of all responsive documents currently in the company's possession.

The Agency's letter also requested information about other potentially responsible parties. In this regard, please be advised that Precision is generally aware of anecdotal evidence that on-site solvent disposal may have occurred at the former Liberty Wire facility on Wisconsin Street. This information was relayed to a former DuPage employee in the 1970's by a maintenance employee of Liberty Wire, whose identity is not currently known. Precision is not aware of any additional information regarding the current or former disposal practices at other facilities in the area. This information was not included in the attached responses, as the specific requests appear to be limited to the facility or facilities owned or operated by Precision Brand or its predecessors.

Please contact me if you have any questions regarding the enclosed.

Sincerely,

Michael J. Hughes

MJH:jmo

Responses of Precision Brand Products, Inc. to Requests for Information

Preliminary Statement: These responses are submitted on behalf of Precision Brand Products, Inc. ("Precision Brand") and its parent corporation Precision Steel Warehouse, Inc. (collectively "Precision"). In addition, the responses below include information relating to DuPage Manufacturing Co. ("DuPage"), a predecessor-in-interest to Precision Brand.

By way of further explanation, the property at 2250 Curtiss Street in Downers Grove (the "Facility") is currently owned and occupied by Precision Brand. Precision Brand and its parent Precision Steel Warehouse, Inc. have owned or operated the Facility since 1965. The building was constructed on the 2250 Curtiss Street property during 1966-1967. Occupancy of the building began in late 1967 or early 1968.

Precision Brand does not currently conduct, and has never conducted, manufacturing operations using chlorinated solvents at the facility in Downers Grove. In 1980, Precision Brand purchased certain assets and assumed certain liabilities of DuPage, which at that time occupied space in the same building with Precision Brand. Precision Brand and DuPage were both subsidiaries of Precision Steel Warehouse, Inc. Prior to 1980, DuPage conducted stamping and assembly of hose clamps at the facility. DuPage ceased manufacturing operations in 1979, and dissolved as a corporation in 1980. Precision Brand then took over the space formerly occupied by DuPage. In light of the foregoing history, many of the documents or information responsive to the Information Request relate to DuPage.

It should also be noted that the Information Request does not define the term "Facility". For purposes of its response, and because it has no direct knowledge relating to other portions of the Downers Grove Superfund Site, Precision has assumed that "Facility" refers only to the property at 2250 Curtiss Street, and has focused its information search on that location.

1. Identify all persons consulted in the preparation of the answers to these Information Requests.

Response:

<u>Individual</u>	<u>Residence</u>	<u>Business</u>
Terry A. Piper	126 N. Buckingham Dr. Aurora, IL 60506 630-466-1985	Precision Brand Products, Inc. President & CEO 2250 Curtiss Street Downers Grove, IL 60515 630-969-7200
Raymond Luchetti	1257 Marls Court Naperville, IL 60563 630-357-4022	Precision Steel Warehouse, Inc. Vice President - Finance 3500 N Wolf Road Franklin Park, IL 60131 847-455-700

Larry A. Franczyk	5605 Primrose Ave. Lisle, IL 60532 630-968-5025	Precision Brand Products, Inc. Vice President & Gen. Manager 2250 Curtiss Street Downers Grove, IL 60515 630-969-7200
Gordon Hoppestad	4920 Cornell Ave. Downers Grove, IL 60515 630-964-0195	Precision Brand Products, Inc. Plant Manager 2250 Curtiss Street Downers Grove, IL 60515 630-969-7200
Maurice E. Heiberger	155 Canyon Diablo Rd., Unit 22 Sedona, AZ 86351 928-284-4324	Retired
Electrician/DuPage Mfg 04/29/68 – 01/31/80		

2. Identify all documents consulted, examined, or referred to in the preparation of the answers to these Requests, and provide copies of all such documents.

Response:

The following documents or groups of responsive documents are submitted herewith:

- A. Fixed asset register – original building construction
- B. Fixed asset register – 1st purchase of degreasing equipment
- C. Fixed asset register – warehouse addition
- D. Capital expenditure request & quotes for degreaser move
- E. Fixed asset register – office addition
- F. Degreaser Room alteration blue prints & invoices
- G. Invoice copy – purchase of recycle still
- H. Employee separation agreements
- I. Site plan
- J. Blue print – Subdivision improvements
- K. Blue print – plumbing layout
- L. Blue print – original building (1966)
- M. Blue print – warehouse addition (1971)
- N. Blue print – office addition (1975)
- O. Waste surveys and permit information
- P. DuPage dissolution documents
- Q. Record of disposal/recycling transactions at ACS Site
- R. 2250 Curtiss Street Real Estate information
- S. Lots 11 & 12 – Wisconsin Ave. information
- T. Legal description
- U. MSDS sheets

3. If you have reason to believe that there may be persons able to provide a more detailed or complete response to any Information Request or who may be able to provide additional responsive documents, identify such persons.

Response:

Individual	Last Known Address
William R. Lackovic Plant Manager/DuPage Manufacturing 09/28/70 – 09/26/76	1909 Pawnee Lane Mt. Prospect, IL 6005 (630) 296-5670

4. Identify all persons having knowledge or information about the generation, transportation, treatment, disposal, or other handling of hazardous substances at the Facility by you, your contractors, or by prior owners and/operators.

Response:

See individuals listed in ##'s 1 and 3 above. In addition, the following individuals may have additional information relating to purchasing of materials:

Individual	Last Known Address
Roger Sisterman Materials Manager/DuPage Manufacturing 04/29/74 – 1977	1026 E. Willow Ave Wheaton, IL 630-653-1463
John M. Greiff Materials Manager/DuPage Manufacturing 09/29/77 – 04/16/79	630-906-0712

5. Between 1950 and the present, did you ever use, purchase, store, treat, dispose, transport or otherwise handle any hazardous substances or materials (including chlorinated solvents) at any location in the Ellsworth Industrial Park? If the answer to the preceding question is anything but an unqualified "no", identify:
- The chemical composition, characteristics, physical state (e.g., solid, liquid) of each hazardous substance;
 - Who supplied you with such hazardous substances;
 - How such hazardous substances were used, purchased, generated, stored, treated, transported, disposed, or otherwise handled by you;
 - When such hazardous substances were used, purchased, generated, stored, treated, transported, disposed, or otherwise handled by you

- e) Where such hazardous substances were used, purchased, generated, stored, treated, transported, disposed, or otherwise handled by you; and
- f) The quantity of such hazardous substances used, purchased, generated, stored, treated, transported, disposed or otherwise handled by you.

Response:

Precision Brand cuts metal coils and distributes hose clamps, and has used various petroleum-based coolants in its thread rolling process. Since 1968, Precision Brand has performed cut-to-length repackaging of various metal coils involving the use of no chemicals. In a second process, Precision Brand cuts-to-length and repackages metals involving electro-chemical etching. Over the years, this etching process has involved the use of naphthalene, Savasol #5, and Rust Beat. Attached are MSDS sheets for Savasol #5 and Rust Beat -Attachment "U". Between 1971 and 1998, Precision Brand performed thread-rolling operations involving water based coolants. Prior to 1980, DuPage also used various metals and petroleum-based lubricants, as well as degreasing solvents, in their hose clamp manufacturing process.

- a). Please see the documents in Groups "O" and "U" for additional descriptions of the chemical content of the materials used and waste streams currently generated at the Facility. With respect to chlorinated solvents, DuPage used Trichloroethylene (TCE) and Perchloroethylene (PCE) in a liquid state for degreasing purposes.
- b). Please see the documents in Groups "O" and "U" for names of current suppliers. Supplier of TCE and PCE products to DuPage is unknown.
- c). See above. Precision Brand uses non-hazardous petroleum-based products in its processes. All waste products from Precision Brand's processes have always been transported for off-site disposal by a licensed waste hauler (See documents in Group "O"). TCE, and later PCE, were used by DuPage for vapor degreasing. The products were purchased and delivered in 55 gallon drums and later delivered by tank truck. Product was stored in drums and later in a holding tank, although little detail is known regarding the amount of product that may have been on hand at any given time. Product was not treated in any way, other than in a recycling still that was installed in approximately 1976. Spent solvents and sludges from the degreasing process were at all times transported for disposal or recycling by a licensed waste hauler.
- d). Metals and lubricants have been used at the Facility since late 1967 or early 1968. TCE was used from approximately 1970 – 1978. It is believed that PCE was used as a replacement for TCE beginning in approximately 1978 until approximately 1979.
- e). All usage, purchase, storage or generation of raw material or waste products occurred at 2250 Curtiss Street, Downers Grove, IL. With respect to the plant location of the degreasing operations, please refer to documents attached as

Groups "D" and "F" and other blueprints or site plans. The location of off-site recycling and/or disposal is not certain, with the exception of certain accounting records from the ACS facility in Griffith, Indiana that indicate shipments of waste materials to that site in the early to mid-1970's (See documents in Group "Q").

f). Unknown.

6. Describe the nature of your activities or business at the Site between 1950 and the present, with respect to purchasing, receiving, processing, storing, treating, disposing or otherwise handling hazardous substances or materials at the Site.

Response:

See response to #5 above. The building was constructed during 1966-1967 with occupancy starting in late 1967 or early 1968. The first record of TCE related equipment dates back to July 1970. DuPage Manufacturing Company was engaged in the production of metal hose clamps. The final product was degreased by a process of suspending a metal basket of parts over heated TCE vapor. In the early years the chemical was purchased and received in 55-gallon drums. In later years the chemical was delivered via tank truck and pumped into a 500 gallon above-ground storage tank inside the building.

Precision has records of the purchase of a recycling still in 1976 to recycle the solvent used in the vapor degreaser. Storage and disposal practices for product and spent materials were the same as prior to 1976, with the exception of the addition of a holding tank for raw material.

Spent solvents and sludges were disposed at all times through a licensed waste hauler. Non-contact cooling water from the degreasing operation was sometimes discharged to the sanitary sewer system.

7. State the dates during which you owned, operated, or leased the Facility, and provide copies of all documents evidencing or relating to initiation of such ownership, operation, or lease arrangements (e.g., deeds, leases, etc.).

Response:

See Preliminary Statement and other building related documents (including "A", "I", "J" and "L"). Precision Brand Products, Inc. or its parent have owned the Facility since 1965 through the present, and operated at the Facility since 1967. Documents relating to the purchase of the property at 2250 Curtiss Street by Precision Steel Warehouse, Inc., and the 1978 conveyance to Precision Brand, are attached as Group "R". See also document "P" relating to dissolution of DuPage.

8. Provide information about any facilities you have ever owned or operated at the Site, including but not limited to the following:
- a) Property boundaries, including a written legal description;
 - b) Location of underground utilities (telephone, electrical, sewer, water main, etc.);
 - c) Surface structures (e.g., buildings, tanks, etc.);
 - d) Ground water wells, including drilling logs;
 - e) Storm water drainage system, and sanitary sewer system, past and present, including septic tank(s), subsurface disposal field(s), and other underground structures; and where, when and how such systems are emptied;
 - f) Any and all additions, demolitions, or changes of any kind on, under, or about the Site, to its physical structures, or to the property itself (e.g., excavation work); and any planned additions, demolitions, or other changes to the Site; and
 - g) All maps and drawings of the Site in your possession.

Response:

- a). See Preliminary Statement and Survey included in Group "R", and legal description attached as document "T". See also attached site map – "I". The property's DuPage County Illinois tax parcel number is 08-12-401-003.
- b). See prints – "J" & "K".
- c). See prints "L", "M" & "N".
- d). No ground water wells.
- e). See prints "J" & "K" – no septic field, tanks or other underground structures.
- f). See prints "L", "M" & "N" – no planned changes to site.
- g). See prints "I", "J", "K", "L", "M" & "N".

Precision has also attached real estate documents (Group "S") relating to a parcel near the corner of Wisconsin Street and Katrine Avenue in the Ellsworth Industrial Park. This parcel was purchased by Precision Steel Warehouse, Inc. in 1963, but was never occupied or used for commercial or industrial purposes. In 1965, the Wisconsin Street property was exchanged for the Curtiss Street location.

9. Identify all past and present solid waste management units (e.g., waste piles, landfills, surface impoundments, waste lagoons, waste ponds or pits, tanks, container storage areas, etc.) at the Site. For each such solid waste management unit identified, provide the following information:

- a) A map showing the unit's boundaries and the location of all known solid waste units whether currently in operation or not. This map should be drawn to scale, if possible, and clearly indicate the location and size of all past and present units;
- b) The type of unit (e.g., storage area, landfill, waste pile, etc.), and the dimensions of the unit;
- c) The dates that the unit was in use;
- d) The purpose and past usage (e.g., storage, spill containment, etc.);
- e) The quantity and types of materials (hazardous substances and any other chemicals) located in each unit;
- f) Pollutants, or contaminants, and damages resulting therefrom;
- g) The construction (materials, composition), volume, size, dates of cleaning, and condition of each unit;
- h) If unit is no longer in use, how was such unit closed and what actions were taken to prevent or address potential or actual releases of waste constituents from the unit.

Response:

Precision is not aware of any past or present solid waste management units at the Facility. All solid waste materials are and were shipped off-site.

10. Identify the prior owners [of] any property you owned or operated at the Site from 1950 to the present. For each prior owner, further identify:
- a) The dates of ownership;
 - b) All evidence showing that they controlled access to the Facility; and
 - c) All evidence that a hazardous substance, pollutant, or contaminant, was released or threatened to be released at the Facility during the period that they owned the Facility.

Response:

See Preliminary Statement and response to #s 5, 7 and 8 above.

- a). Precision Steel Warehouse, Inc. and Precision Brand Products, Inc. or its predecessors have owned the Facility since 1965 through the present, and have operated the Facility since 1967.
- b). Precision has no knowledge relating to usage or control of the property prior to 1965, other than information contained in the real estate documents attached hereto.
- c). Precision is not aware of any release or threatened release prior to or during its ownership.

11. Identify the prior operators, including lessors, of the Facility. For each such operator, further identify:
- a) The dates of operation;
 - b) The nature of prior operations at the Site;
 - c) All evidence that they controlled access to the Site; and
 - d) All evidence that a hazardous substance, pollutant or contaminant, was released or threatened to be released at or from the Site and /or its solid waste units during the period that they were operating the Site.

Response:

See response to #10. For information regarding DuPage Manufacturing, see Preliminary Statement and response to # 5 above.

12. Provide copies of all local, state, and federal environmental permits ever granted for your Facility or Facilities in the Ellsworth Industrial Park or any part thereof (e.g., RCRA permits, NPDES permits, etc.).

Response:

See document package "O".

13. Did your Facility or Facilities in the Ellsworth Industrial Park ever have "interim status" under RCRA? If so, and the Facility does not currently have interim status, describe the circumstances under which the Facility lost interim status.

Response:

No.

14. Did your Facility or Facilities in the Ellsworth Industrial Park ever file a notification of hazardous waste activity under RCRA? If so, provide a copy of such notification.

Response:

No.

15. Provide all reports, information, or data related to soil, water (ground and surface), or air quality and geology/hydrogeology at and about the Site. Provide copies of all documents

containing such data and information, including both past and current aerial photographs as well as documents containing analysis or interpretation of such data.

Response:

Precision is unaware of any such reports, information or data relating to the Facility. Correspondence with the IEPA relating to the need for a surface water permit is included in Group "O".

16. Identify all leaks, spills or releases into the environment of any hazardous substances, pollutants, or contaminants (including chlorinated solvents) that have occurred at or from your Facility or Facilities at the Site. In addition, identify:
- a) When such releases occurred,
 - b) How the releases occurred;
 - c) The amount of each hazardous substances, pollutants, or contaminants so released;
 - d) Where such releases occurred;
 - e) Any and all activities undertaken in response to, each such release or threatened release, including the notification of any agencies or governmental units about the release;
 - f) Any and all investigations of the circumstances, nature, extent or location of each such release or threatened release, including the results of any soil, water (ground and surface), or air testing that was undertaken; and
 - g) All persons with information relating to these releases.

Provide copies of all documents related to these leaks, spills or releases.

Response:

Precision is unaware of any leaks, spills or releases of hazardous substances at or from the Facility at any time. Although not covered by the scope of the requests, Precision is aware of one incident in the mid-late 1990's when a supplier's (Gatto Plating) truck ruptured a diesel fuel tank in our east parking lot. The spill was limited to the parking lot surface and was cleaned-up by the DG Fire Department, which also removed all associated waste material.

17. Was there ever a spill, leak, release or discharge of hazardous materials (including chlorinated solvents) into any subsurface disposal system or floor drain inside or under any building you own or operate at the Site. If the answer to the preceding question is anything but an unqualified "no," identify:
- a) Where the disposal system or floor drains were located;
 - b) When the disposal system or floor drains were installed;

- c) Whether the disposal system or floor drains were connected to pipes;
- d) Where such pipes were located and emptied;
- e) When such pipes were installed;
- f) How and when such pipes were replaced, or repaired; and
- g) Whether such pipes ever leaked or in any way released hazardous materials into the environment.

Provide copies of all documents related to these leaks, spills, releases or discharges.

Response:

Precision is unaware of any leaks, spills or releases other than in answer #16. According to documents and former employees, non-contact cooling water associated with the degreaser operation was discharged at times in the 1970's to floor drains or sumps associated with the sanitary sewer system.

- a). See blue prints "F", "K" "L" & "M" and Groups "D" and "F".
- b). See 17a.
- c). See 17a.
- d). See 17a.
- e). See 17a.
- f). Unaware of any replacement or repair.
- g). Unaware of any leaks.

18. Did any leaks, spills, or releases of hazardous materials (including chlorinated solvents) occur at any Facility you own or operate at the Site when such materials were being:

- a) Delivered by vendor,
- b) Stored (e.g., in any tanks, drums, or barrels);
- c) Transported or transferred (e.g., to or from any tanks, drums, barrels, or recovery units); or
- d) Treated.

If so, provide copies of all documents relating to these leaks, spills or releases.

Response:

Precision is unaware of any leaks, spills or releases of hazardous materials at the Facility.

19. Has soil ever been excavated or removed from the Site? Unless the answer to the preceding question is anything besides an unequivocal "no," identify:
- a) Amount of soil excavated;
 - b) Location of excavation;
 - c) Manner and place of disposal and/or storage of excavated soil;
 - d) Dates of soil excavation;
 - e) Identity of persons who excavated or removed the soil;
 - f) Reason for soil excavation;
 - g) Whether the excavation or removed soil contained hazardous materials and why the soil contained such materials;
 - h) All analyses or tests and results of analyses of the soil that was removed from the Facility;
 - i) All persons, including contractors, with information about (a) through (h) of this request.

If so, provide copies of all documents relating to these excavations or removals.

Response:

Precision is unaware of any excavation or soil removal, with the exception of possible excavation and removal related to building additions. No documentation related to excavation or removal of soils during the construction of additions in the 1970's has been located.

20. Provide records from 1950 through the present showing how much chlorinated solvent/cleaner or other chlorinated materials were purchased for any Facility or Facilities you own or operate at the Site. Provide records from 1950 through the present, which show how much chlorinated solvent/cleaner or other chlorinated materials were sent from the Facility or Facilities you own or operate at the Site to be recycled or disposed. Provide the manifests showing such recycling or disposal.

Response:

Purchasing and transport records for DuPage Manufacturing do not exist. Precision has limited documentation relating to off-site disposal, recycling or incineration of materials at the American Chemical Services ("ACS") site in Griffith, Indiana (See document Group "Q"). Although there are no manifests or other records of solvent disposal transactions, Precision received the attached database information from the U.S. EPA and from other potentially responsible parties associated with the ACS site. In the mid-1990's, Precision entered into a de minimis settlement with the U.S. EPA regarding the DuPage transactions that occurred in the 1970's.

21. Provide all records regarding the disposal of solid waste from the Facility or Facilities you own or operate at the Site from 1950 to present.

Response:

See response to #20 and documents in Groups "O" and "Q".

VERIFICATION

The foregoing responses to the U.S. EPA's Information Requests are true and complete
to the best of my knowledge and belief.

Larry A. Franczyk
Vice President & General Manager
Precision Brand Products, Inc.

Attn: Bill Lackovic

Re: Plumbing work for relocation
of Roto Machines & Degreaser

Gentlemen:

Confirming our telephone quotation for plumbing work for relocation of Roto Machine and Degreaser we submit the following:

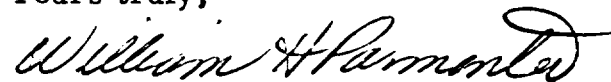

We will furnish all labor and material for-

1. One inch valved water line from existing water line to Roto Machines and to Degreaser. (Approximately 225')
2. Waste system consisting of: one floor drain and one set of triple basins and 2" vent through roof for Roto Machines with sewer run under floor to sump basin. Cutting and patching of floor is included. One floor drain which wastes to the sump basin for degreaser. The waste from the Roto Machines and Degreaser are pumped overhead to the existing 4" sanitary sewer by a 2" ejector pump. The sump basin is vented through the roof. (2")
- 3.. We do not include the following per our discussion with Mr. Lackovic:
 - a. Pipe covering for water pipe.
 - B. Disconnecting of Roto Machine and Degreaser by others.
4. We did not discuss, but we do not include electrical wiring of the ejector pump or the installation of the flue piping for the relocated degreaser.

The above proposed work will be done for a sum not to exceed three thousand five hundred sixty three dollars, (\$3,563.00).

If there are any questions please contact me.

Yours truly,

William H. Parmenter
Vice-President

SPECIFICATIONS & ESTIMATE FOR WORK REQUIRED

We will run approximately 225 ft. 1" water line with 1" gate valve to new location. This piping to be hung in bar joists with necessary hangers. No insulation by us.

One 4" floor drain and one set of triple garage basins (size 18"x24") with 2" vent to extend through roof to be installed by us. We will make necessary hole and patch. We have only figured to make hole and patch for our vent. We have not figured in to use the original roof contractor if there is a guarantee involved.

One 4" floor drain waste installed from degreaser. The waste from Roto machine and degreaser are to be pumped overhead to existing sanitary sewer by BARNES 2" ejector pump, basin and cover to be supplied by us. Ejector pump to be vented through the roof with the same stipulations as above. We will break up, saw and repatch floor to install above drain.

All work as described above to be completed during regular business hours at straight time. Any overtime work to be at an extra time-and-a-half rate to be paid by owner.

All work to be done according to Village Code.
Permits and/or fees by others; not by us.

We hereby propose to furnish labor and materials — complete in accordance with the above specifications, for the sum of:

Three thousand four hundred seventy and 00/100 dollars (\$ 3470.00)

) with payment to be made as follows:

Balance due upon completion of job and receipt of statement.

The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.

All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from above specifications involving extra costs, will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents or delays beyond our control. Owner's to carry fire, tornado and other necessary insurance. Our workers are fully covered by Workmen's Compensation Insurance.

Quoted price may be withdrawn if not accepted within 30 days.

BY Joyce M. Chada

SUBJECT: NPDES Storm Water Permitting

phone #708-775-
0300

This memo was prepared to summarize measures which need to be implemented at your facility in order to eliminate the requirement for a storm water permit for storm-water discharges from your facility. As you and I discussed, if there are no significant materials or industrial activities exposed to storm water, then there is no need for a storm water permit under current regulations. There are four items at your facility which may have the potential to contaminate storm water and thus necessitate a storm water permit. These are listed below.

1. Metal coils stored outside.
2. Drums of oil or liquid stored outside.
3. Air compressor blowdown vented outside.
4. Loading docks.

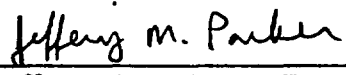

Per discussions with personnel from the Illinois Environmental Protection Agency (IEPA), some modifications to the above are required if you do not wish to file for a storm water permit. The aim of these modifications is to ensure that no significant materials or industrial activities are exposed to storm water. The modifications required are summarized below.

1. All industrial materials including metal coils should be stored inside or under cover such that rain water cannot contact the material.
2. All chemicals and oils in drums or other containers should be stored inside or under permanent cover such that rain water cannot contact the chemicals or oils.
3. The air compressor blowdown should be routed through a system to reduce any oil entrained in the air and then vented inside.

4. Since the loading docks are not exposed to storm water, no changes are required. However, since rain water does enter the dock areas by seeping under the overhead doors and is discharged to the storm system (via the parking lot or otherwise) it is recommended that stringent good housekeeping activities be performed and spill prevention measures instituted in these areas. These should include the following.
 1. Sweeping the entire dock area regularly, including the area where the trucks pull up.
 2. Keeping spill cleanup equipment and materials at all docks.
 3. Training personnel to clean up a spill instead of washing it down.
 4. Training personnel to turn off the sump pump system in the event of a spill.

If the measures discussed above are implemented at your facility, then there would be no need to apply for a storm water permit under current regulations. We will prepare a letter for you which can be sent to IEPA explaining that a storm water permit is not required for the storm water discharges at your site.

Sincerely

Jeffery M. Parker, P.E.

Springfield, IL 62794-9276

RE: NPDES Storm Water Permits
Precision Brand - Downers Grove, IL

Dear Mr. McSwiggin:

Precision Brand is a merchandising and manufacturing facility with several Standard Industrial Classification (SIC) Codes. 15% of our business consists of drawing and threading coil stock into various lengths of threaded rod which falls under SIC Code 3499 - Miscellaneous Fabricated Metal Products. 85% of our business seems to fall into three other SIC Codes. These are 3429 - Hardware, Not Elsewhere Classified, 3496 - Miscellaneous Fabricated Wire Products and 3545 - Cutting Tools, Machine Tool Accessories, and Machinists' Precision Measuring Devices. The industrial activities performed under these three SIC Codes are packaging and breaking down of master coils or bundles into smaller units and merchandising our manufactured products and other manufactured products we purchase.

Based on our SIC Codes, it is our understanding that we must apply for an NPDES permit for our storm water discharges only if we have significant materials or industrial processes exposed to storm water. We have no process or non-process discharges to waters of the US or the State. To assist us in complying with the regulations, we have retained Metcalf & Eddy, Inc., consulting engineers.

In accordance with Metcalf & Eddy's recommendations, we are making structural modifications and adopting some material management practices so that there will be no significant materials or industrial activities exposed to storm water. We anticipate all modifications to be complete by March 31, 1993. Because of these modifications and material management practices, we will have no storm water discharges associated with industrial activity and therefore are not required to file for a storm water permit under Phase I of the storm water permit regulations. Please keep us informed of any requirements that may apply to us when the Phase II regulations are promulgated.

Re: 0434143009 -- DuPage County
Duke's Oil Service, Inc. -- S.W.H. Permit #1047
ILD980611396

Dear Mr. Keller:

Special Waste Hauling Permit 1047 is hereby issued to Duke's Oil Service, Inc., to engage in special waste hauling in the State of Illinois, utilizing the vehicles, tanks and equipment enumerated in the application for permit dated June 1, 1993 and consisting of 4 page(s). A copy of said application for permit is hereby incorporated by reference.

This special waste hauling permit is issued subject to the standard conditions set forth on page(s) 6 and 7, attached hereto and incorporated herein by reference, and is further subject to any following conditions.

This permit, issued July 14, 1993, is valid from September 1, 1993, to and through September 30, 1994, for all registered vehicles with State of Illinois license plates.

Please count your enclosed expiration seals. The Agency must be notified of any shortages within 3 working days of the receipt of your permit in order for us to send additional seals. If seals are destroyed by acid wash, painting, etc., send a letter of explanation, and fragments of the destroyed seal and we will replace it. No seals will be replaced without physical proof of an already existing seal. If the Agency is not contacted within the 3 day period and/or sent evidence of a destroyed seal, you may be required to resubmit your permit application and all applicable fees (minimum of \$100.00).

If you have any questions, please contact me at the above telephone number.

Sincerely,

Cynthia L. Bahner

*MUST BE COMPLETED

INSTRUCTIONS
ILLINOIS GENERATOR I.D. NUMBER REQUEST FORM
(JULY 1, 1991)

This form is to be used only by generators that ship their waste outside Illinois or to Illinois TSD facilities having a generic permit to accept the waste stream. Information provided on the application form will be entered into the IEPA computer system in order to assign an Illinois generator I.D. number, to generate waste material inventories and to mail manifest documents. To avoid delays caused by a partially or inaccurately completed application, please read and follow these instructions carefully.

A separate application is required for each location where waste is generated. Once a generator I.D. number is assigned to a specific location, that number remains the same indefinitely. A new application is required only if the physical location of the generator is change. Name changes to assigned generator numbers may be made by notifying the Permit Section in writing.

This application is set up such that typewriter spacing will fit on the dashed lines. The form is to be coded from left to right with a single space left between words in multiple word phrases. Since the application is printed on "no carbon required" paper, typewriter corrections must be made with correction fluid. The entire application (two (2) pages with three (3) colored carbon copies) must be returned to the Illinois EPA. Applications which do not include all of the required items will be rejected. INFORMATION MUST BE TYPEWRITTEN.

PAGE ONE

GENERATOR NAME: Provide the generator's official business name.
LOCATION (Not P.O. Box): Provide the street location, not P.O. Box number, where the waste is generated.
CITY:, STATE:, and ZIP: Provide all information.
COUNTY: Provide the county name.
TELEPHONE: Provide the complete telephone number including the area code.
CONTACT PERSON: This is the individual that is to receive correspondence regarding the assignment of a generator number and will receive the generator package, including fee-exempt manifest forms.
MAILING ADDRESS (if different than above): P.O. BOX:, CITY:, STATE:, & ZIP: This mailing address, if different from above, is specific only to the generator of the waste. Provide information as requested.
WASTE DESTINATION (TSD Facility): Indicate the name of the treatment, storage or disposal facility that will accept the waste.
ADDRESS: Provide the site address.
CITY, STATE, ZIP: Provide all information.

*TSD Facility's Illinois Site Code Number: The IEPA-assigned 10 digit FIPS code for the facility. NOT the USEPA-assigned 12 digit alphanumeric code. This information is available from the TSD facility.

*TSD Facility's Generic Permit Authorization Number: The IEPA-assigned 6 digit generic waste stream authorization number of the Illinois facility. If the waste is shipped outside Illinois, leave this space blank. This information is available from the TSD facility.

PAGE TWO

Signature of Generator: All applications must be signed by the owner or operator of the waste location. The application must contain original signatures.

Date: Current date.

Complete manifest form information.

Signature of Person Making Request (if different than generator): Company Name:, Telephone:.
Date: Provide all requested information.

Generator Shipping Address: Type the address for UPS delivery of the generator package. DO NOT USE POST OFFICE BOX NUMBERS. UPS will not deliver to post office boxes.

GENERAL INFORMATION

Return the entire application to the Illinois Environmental Protection Agency, Division of Land Pollution Control (#24), Permit Section, 2200 Churchill Road, Post Office Box 19276, Springfield, IL 62794-9276.

A copy of this form will be returned to the generator via UPS delivery when a generator number has been assigned. Twenty (20) fee-exempt manifest forms and a manifest order form will be enclosed for the generator's use. Waste shipments cannot be made until receipt of this package.

Generator numbers will be assigned only on receipt of this form. Telephone requests will not be accepted. Requests for information on numbers previously assigned must be submitted in writing to the Permit Section. Responses to these requests will be in writing. Information will not be given by telephone.

Questions regarding completion of this form may be directed to the Permit Section Administrative Support Unit at 217/782-6761.

AUTHORIZATION STATEMENT This

I authorize this request for assignment from waste, hazardous waste shipped RCRA generator ID Number. If my waste is a USEPA generator company has not previously shipped a manifest system. If applied for a company has or has applied for a

ASSIGNMENT, BILL OF SALE AND
ASSUMPTION AGREEMENT

This ASSIGNMENT, BILL OF SALE AND ASSUMPTION AGREEMENT is being entered into as of the 31st day of January, 1980, by and between DuPage Manufacturing Company, a corporation organized under the laws of the State of Illinois (the "Seller"), and Precision Brand Products, Inc., a corporation organized under the laws of Delaware (the "Buyer").

1. General Conveyance.

In consideration of the Buyer's performance of its covenant contained in paragraph 3 hereof and other good and valuable consideration, the Seller hereby sells, transfers, assigns, conveys and delivers to the Buyer, and the Buyer hereby purchases and accepts from Seller, the business of Seller and all of Seller's right, title and interest in, to and under all the properties, assets, rights, obligations and liabilities of Seller as of the date hereof, excluding the Retained Assets (defined in paragraph 2 hereof), of every kind, nature and description and wheresoever situate, whether real, personal or mixed, tangible or intangible, including without limitation: cash on hand and in banks; accounts, notes and other receivables; deposits and reserves; contract rights, licenses and permits; choses in action, claims and causes of action, and rights of recovery and setoff; raw materials, work-in-process, finished goods and other inventory; stationery, packaging and other imprinted material, and office supplies; machinery and equipment, tools and dies, and furniture, fixtures and leasehold improvements; leaseholds; patents, trademarks and trade names, including applications

therefor and goodwill associated therewith; rights to use the names "DuPage Manufacturing Company", "DuPage", and variations and modifications thereof; and goodwill as a going concern.

2. Retained Assets.

Anything herein to the contrary notwithstanding, the Seller shall retain title to and possession of, and shall not sell, transfer, assign, convey or deliver to Buyer, any right, title or interest in, to or under any of the following properties, assets and rights of Seller (herein called the "Retained Assets"):

(a) Corporate books and records and stock records of any kind;

(b) Records, reports, data, files and documents of any kind required to be retained by Seller by law or regulation.

3. Obligations Assumed.

The Buyer hereby assumes and agrees to pay, perform and discharge when due all debts, liabilities and obligations of the Seller as of the date hereof and all debts, liabilities and obligations of the Seller arising or asserted after the date hereof which relate to the business or the properties, assets and rights of the Seller up to and including the date hereof of every kind, nature and description and whether accrued, absolute or contingent including, without limitation:

(a) Debts, liabilities and obligations relating to any failure to comply with, any violation of, and any assessment of penalties under, any federal, foreign, state or local law, ordinance, rule or regulation which is applicable to Sellers' business, operations or affairs, or any of its properties, assets or rights up

to and including the date hereof, except the Retained Assets, including without limitation, such laws, ordinances, rules or regulations as pertain to: securities; pricing, sales, marketing and distribution of products and services; warranties in respect of products and services; collective bargaining rights of employees; equal opportunity in employment and other laws governing employment, including hours worked by and payments made to employees; pension, profit sharing, bonus and other employee benefit and welfare plans; health and safety in plant and work areas; and environmental and pollution control;

(b) Debts, liabilities and obligations relating to any litigation proceeding or investigation, pertaining in any manner to the business, operations or affairs of the Seller or any of its properties, assets or rights, except such as relate to the Retained Assets, whether or not pending or threatened on the date hereof, for which there existed any basis on or prior to the date hereof;

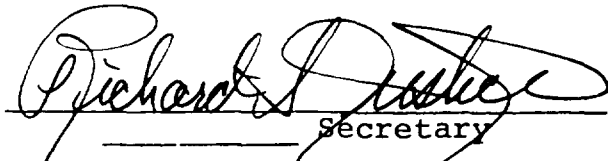

(c) Debts, liabilities and obligations relating to any breach, default or failure to comply on or prior to the date hereof with the terms of any contract, agreement, license or permit to which the Seller is or was a party or under which the Seller is or was obligated or derived any benefit.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement, Bill of Sale and Assumption Agreement to be entered into and signed in their respective corporate names by their respective duly authorized officers, and their corporate

seals to be hereunto affixed and attested, as of the date first above written.

ARTICLES OF DISSOLUTION PURSUANT TO SECTION 80 OF
"THE BUSINESS CORPORATION ACT"

OF

DuPage Manufacturing CompanyTO: ALAN J. DIXON
Secretary of State
Springfield, Illinois

The undersigned corporation, for the purpose of dissolving, and pursuant to the provisions of "The Business Corporation Act" of the State of Illinois relating to the dissolution of said corporation, hereby executes the following articles of dissolution:

Article 1. Name of corporation is DuPage Manufacturing Company

Article 2. On the 3rd day of January, A.D. 1980, the corporation filed with the Secretary of State, and on the 4th day of January, A.D. 1980, with the Recorder of Deeds of the County in which the registered office of the corporation is situated, a statement of intent to dissolve.

*Article 3. All debts, obligations and liabilities of the corporation have been paid and discharged or that adequate provision has been made therefor.

*Article 4. All remaining property and assets of the corporation have been distributed among its shareholders, in accordance with their respective rights and interests.

*Article 5. There are no pending suits against the corporation in any court, or that adequate provision has been made for the satisfaction of any judgment, order, or decree which may be entered against it in any pending suit.

(OVER)

IN WITNESS WHEREOF, the undersigned corporation has caused these articles to be executed in its name
by its _____ President and its corporate seal to be hereto affixed, attested by its _____
Secretary this 28th day of January, A.D. 1980.

Dear Orville:

Potomac Policy No. 37-559-54

We are enclosing a Builders' Risk policy covering the new building to be constructed on Belmont Road in Downers Grove. This policy is in the name of Precision Steel Warehouse, Inc. and Continental Construction Company of Illinois which is in accordance with your agreement with the contractor and a copy of the policy is being sent to the contractor for his files.

We are also enclosing endorsement for the liability portion of your Package Policy adding Owners' Protective Coverage for the amount of the contract. In this connection, be sure to obtain copies of the Liability Policy and the Workmen's Compensation Policy of Continental Construction Company for the construction period.

Yours very truly,

Carl E. Herbst

Re: Electric Service for
NEW BUILDING
Downers Grove, Illinois

Gentlemen:

Attached is copy of letter to Public Service Company, concerning electric service into building at Northwest corner of building.

As agreed, the service will be 277/480 Volt, 800 Ampere, 3-Phase, 4-Wire. Our contract was based on 1,200 Ampere at 240 Volt, which is the same as 600 Ampere, at 480 Volt.

For increasing our service provisions, there will be an addition to our guaranteed contract amount of \$500.00, therefore, the contract amount is as follows:

Previous Contract Amount	\$320,000.00
800 Ampere Service, per above	<u>500.00</u>
NEW Contract Amount	\$320,500.00

Accordingly, this additional amount is added to the electrical contractor's contract, per their proposal attached.

Very truly yours,

CONTINENTAL CONSTRUCTION COMPANY

Re: ELECTRIC SERVICE FOR PRECISION STEEL WAREHOUSE, INC. - NEW BUILDING AT
2250 Curtiss Street, Downers Grove, Illinois

Gentlemen:

This will confirm our understanding of June 22, 1966, as agreed with Mr. C. W. Tinsley of Precision Steel Warehouse, Inc., in connection with above electric service.

1. As agreed by the Precision Steel Warehouse, Inc., 421 Maple Avenue, Downers Grove, Illinois, you will be granted a five foot (5') easement along their north property line; and as agreed by Mr. Ray Lopata, Attorney, 59 West Washington Street, Chicago, Illinois, on behalf of owner, you will be granted an easement of five feet (5') north of Precision Company's north line - making a total easement for you of ten feet (10'). We understand that you will make up the easement agreement and send to each of these parties for their signatures, as agreed.
2. You will place your poles on property line to a point twenty-five feet (25') east of Precision Company's west property line, as indicated on site plan attached hereto. From this point you will bring underground service by burial cable in trench (excavated by us) to your transformer, to be placed on concrete slab (installed by us), to meet your specifications. From transformer we will furnish conduit underground into northwest corner of building, where shown on site plan. It is also understood that your charge for underground service (estimated to be within \$500.00), will be included by you in your contract for service with the Precision Steel Warehouse, Inc., and they will pay this charge direct to you.
3. Transformer to be of capacity for 277/480 Volt, 800 Ampere, 3-Phase, 4-Wire service. We understand that you ordered this transformer on June 14, 1966, so as to insure delivery of this transformer by October 15, 1966. We trust you will understand our repeated calls to you about this, because we want to be sure service will be available then.

All of the above is in agreement with each of the parties listed above, and copies of this letter are being sent to each party interested, as noted.

Very truly yours,

cc: Mr. C. W. Tinsley

Re: Insurance Matters
NEW BUILDING
Downers Grove, Illinois

Dear Bill:

This letter is just a reminder concerning insurance on the new building.

You already have our insurance certificate covering Paragraphs 4 and 5 of the "General Conditions" showing our company's insurance.

We know you also have the Owner's Liability Insurance, Paragraph 6 of "General Conditions", but you should notify your insurance agent that you are having this new building built, and make sure that you have the proper coverage.

In regards to the Fire and Wind Damage Insurance, Paragraph 7 of "General Conditions", it is suggested that you send a copy of this paragraph to your insurance company, with the request that they give you coverage, and also to have our name included. We would also like him to send some type of certificate or memorandum to us showing that we are also covered under this paragraph.

No doubt you have taken care of this matter, but wanted to send this reminder just to make sure.

Very truly yours,

CONTINENTAL CONSTRUCTION COMPANY

AMERICAN LAND TITLE ASSOCIATION OWNER'S POLICY
STANDARD FORM A — CENTRAL REGION — 1962

CHICAGO TITLE AND TRUST COMPANY

a corporation of Illinois, herein called the Company, for a valuable consideration, hereby insures the party named in Schedule A, hereinafter called the Insured, the heirs, devisees, personal representatives of such Insured, or, if a corporation, its successors by dissolution, merger or consolidation, against loss or damage not exceeding the amount stated in Schedule A, together with costs, attorneys' fees and expenses which the Company may become obligated to pay as provided in the Conditions and Stipulations hereof, which the Insured shall sustain by reason of:

1. Any defect in or lien or encumbrance on the title to the estate or interest covered hereby in the land described or referred to in Schedule A, existing at the date hereof, not shown or referred to in Schedule B or excluded from coverage in Schedule B or in the Conditions and Stipulations; or
2. Lack of a right of access to and from the land;

all subject, however, to the provisions of Schedules A and B and to the Conditions and Stipulations hereto annexed; all as of the date of this policy.

In Witness Whereof, CHICAGO TITLE AND TRUST COMPANY has caused this policy to be signed and sealed as of the date of policy shown in Schedule A, the policy to become valid when countersigned by an authorized signatory.

CHICAGO TITLE AND TRUST COMPANY

By:

Paul W. Goodrich

President.

ATTEST:

W. Edmund Peterson

Secretary.

IMPORTANT

This policy necessarily relates solely to the title as of the date of the policy. In order that a purchaser of the real estate described herein may be insured against defects, liens or encumbrances, this policy should be reissued in the name of such purchaser.

SCHEDULE A

Number	Date of Policy	Amount of Policy
394313 DuPage	March 2, 1967	\$430,000.00

1. Name of Insured.

****PRECISION STEEL WAREHOUSE, INC., A CORPORATION OF ILLINOIS****

2. The estate or interest in the land described or referred to in this schedule covered by this policy is:

Fee Simple

3. Title to the estate or interest covered by this policy at the date hereof is vested in the Insured.

4. The land herein described is encumbered by the following mortgage or trust deed:

None.

and the mortgages or trust deeds, if any, shown in Schedule B.

5. The land referred to in this policy is described as follows:

****That part of the East half of Section 12, Township 38 North, Range 10, East of the Third Principal Meridian, described by beginning at the point of intersection of the West line of Belmont Road, as widened by dedication recorded February 10, 1960 as Document 955437 with the North line of Curtiss Street as dedicated by Plat recorded April 11, 1957 as Document 838580 and running thence Westerly on said North line of Curtiss Street, 634.0 feet; thence Northerly on a line which forms an angle of 88 degrees 57 minutes 40 seconds with the last described course, as measured from East to North 350.0 feet, thence Easterly parallel with said North line of Curtiss Street, 644.2 feet to the West line of said Belmont Road; thence Southerly along said West line, on a curve to the left, having a radius of 6,790.79 feet, an arc distance of 350.4 feet (the long cord of said curve measuring 350.33 feet), to the place of beginning, in DuPage County, Illinois.****

SCHEDULE B

This policy does not insure against loss or damage by reason of the encumbrance, if any, shown in Schedule A, which encumbrance is expressly made an exception forming part of this Schedule B, nor does it insure against loss or damage by reason of the following exceptions:

General Exceptions:

- (1) Rights or claims of parties in possession not shown of record.
- (2) Encroachments, overlaps, boundary line disputes, and any matters which would be disclosed by an accurate survey and inspection of the premises.
- (3) Easements and claims of easement not shown of record.
- (4) Mechanics' or materialmen's liens or other statutory liens for labor or material not shown of record.
- (5) Taxes or special assessments which are not shown as existing liens by the public records.
- (6) Rights of dower, homestead or other marital rights of the spouse, if any, of any individual insured.

Special Exceptions (including the encumbrance, if any, shown in Schedule A):

1. Drainage ditches, laterals, underground pipes, tile or other conduit, if any.
2. Rights of the public and adjoining owners to the free and unobstructed flowage of the waters of the creek running through premises in question.
3. Grant dated September 12, 1966 and recorded October 7, 1966 as Document R66-40200 from Precision Steel Warehouse, Inc., a corporation of Illinois, to Commonwealth Edison Company and Illinois Bell Telephone Company, their successors and assigns, of the right, permission and authority to construct, maintain, relocate and renew their equipment and other necessary facilities for utility purposes upon, over and under the Northerly 5 feet of premises in question, together with such provisions as therein contained.
4. Taxes for the years 1966 and 1967.

NOTE: The following endorsements appearing after Schedule B are an integral part of this policy.

CONDITIONS AND STIPULATIONS

1. Definition of Terms

The following terms when used in this policy mean:

- (a) "land": the land described, specifically or by reference, in Schedule A and improvements affixed thereto which by law constitute real property;
- (b) "public records": those records which impart constructive notice of matters relating to said land;
- (c) "knowledge": actual knowledge, not constructive knowledge or notice which may be imputed to the Insured by reason of any public records; and
- (d) "date": the effective date.

2. Exclusions from the Coverage of this Policy

This policy does not insure against loss or damage by reason of the following:

- (a) The refusal of any person to purchase, lease or lend money on the estate or interest covered hereby in the land described in Schedule A.
- (b) Any law, ordinance or governmental regulation (including but not limited to building and zoning ordinances) restricting or regulating or prohibiting the occupancy, use or enjoyment of the land, or regulating the character, dimensions, or location of any improvement now or hereafter erected on said land, or prohibiting a separation in ownership or a reduction in the dimensions or area of any lot or parcel of land.
- (c) Governmental rights of police power or eminent domain unless notice of the exercise of such rights appears in the public records at the date hereof.
- (d) Title to any property beyond the lines of the land expressly described or referred to in Schedule A, or title to areas within or rights or easements in any abutting streets, roads, avenues, lanes, ways or waterways (except to the extent the right of access to and from said land is covered by the insuring provisions of this policy), or the right to maintain therein vaults, tunnels, ramps or any other structure or improvement, unless this policy specifically provides that such titles, rights or easements are insured.
- (e) Defects, liens, encumbrances, adverse claims against the title as insured or other matters (1) created, suffered, assumed or agreed to by the Insured; or (2) known to the Insured either at the date of this policy or at the date such Insured acquired an estate or interest insured by this policy and not shown by the public records, unless disclosure thereof in writing by the Insured shall have been made to the Company prior to the date of this policy; or (3) resulting in no loss to the Insured; or (4) attaching or created subsequent to the date hereof.
- (f) Loss or damage which would not have been sustained if the Insured were a purchaser for value without knowledge.

3. Defense and Prosecution of Actions - Notice of Claim to be Given by the Insured

- (a) The Company, at its own cost and without undue delay, shall provide for the defense of the Insured in all litigation consisting of actions or proceedings commenced against the Insured, which litigation is founded upon a defect, lien or encumbrance insured against by this policy, and may pursue such litigation to final determination in the court of last resort.
- (b) In case any such action or proceeding shall be begun, or defense interposed, or in case knowledge shall come to the Insured of any claim of title or interest which is adverse to the title as insured, or which might cause loss or damage for which the Company shall or may be liable by virtue of this policy, the Insured shall notify the Company thereof in writing. If such notice shall not be given to the Company within ten days of the receipt of process or pleadings or if the Insured shall not, in writing, promptly notify the Company of any defect, lien or encumbrance insured against which shall come to the knowledge of the Insured, then all liability of the Company in regard to the subject matter of such action, proceeding or matter shall cease and terminate; provided, however, that failure to notify shall in no case prejudice the claim of any Insured unless the Company shall be actually prejudiced by such failure and then only to the extent of such prejudice.
- (c) The Company shall have the right at its own cost to institute and prosecute any action

or proceeding or do any other act which in its opinion may be necessary or desirable to establish the title as insured; and the Company may take any appropriate action under the terms of this policy whether or not it shall be liable thereunder and shall not thereby concede liability or waive any provision of this policy.

(d) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding, the Insured shall secure to it the right to so prosecute or provide defense in such action or proceeding, and all appeals therein, and permit it to use, at its option, the name of the Insured for such purpose. Whenever requested by the Company the Insured shall give the Company all reasonable aid in any such action or proceeding, in effecting settlement, securing evidence, obtaining witnesses, or prosecuting or defending such action or proceeding, and the Company shall reimburse the Insured for any expense so incurred.

4. Notice of Loss - Limitation of Action

In addition to the notices required under paragraph 3(b), a statement in writing of any loss or damage for which it is claimed the Company is liable under this policy shall be furnished to the Company within sixty days after such loss or damage shall have been determined and no right of action shall accrue to the Insured under this policy until thirty days after such statement shall have been furnished and no recovery shall be had by the Insured under this policy unless action shall be commenced thereon within five years after expiration of said thirty day period. Failure to furnish such statement of loss or damage, or to commence such action within the time hereinbefore specified, shall be a conclusive bar against maintenance by the Insured of any action under this policy.

5. Option to Pay, Settle or Compromise Claims

The Company shall have the option to pay or settle or compromise for or in the name of the Insured any claim insured against or to pay the full amount of this policy and such payment or tender of payment, together with all costs, attorneys' fees and expenses which the Company is obligated hereunder to pay, shall terminate all liability of the Company hereunder.

6. Payment of Loss

- (a) The liability of the Company under this policy shall in no case exceed, in all, the actual loss of the Insured and costs and attorneys' fees which the Company may be obligated hereunder to pay.
- (b) The Company will pay, in addition to any loss insured against by this policy, all costs imposed upon the Insured in litigation carried on by the Company for the Insured, and all costs and attorneys' fees in litigation carried on by the Insured with the written authorization of the Company.
- (c) No claim for damages shall arise or be maintainable under this policy (1) if the Company, after having received notice of an alleged defect, lien or encumbrance not excepted or excluded herein removes such defect, lien or encumbrance within a reasonable time after receipt of such notice; or (2) for liability voluntarily assumed by the Insured in settling any claim or suit without written consent of the Company.

(d) All payments under this policy, except payments made for costs, attorneys' fees and expenses, shall reduce the amount of the insurance pro tanto and no payment shall be made without producing this policy for endorsement of such payment unless the policy be lost or destroyed, in which case proof of such loss or destruction shall be furnished to the satisfaction of the Company.

(e) When liability has been definitely fixed in accordance with the conditions of this policy the loss or damage shall be payable within thirty days thereafter.

7. Liability Noncumulative

It is expressly understood that the amount of this policy is reduced by any amount the Company may pay under any policy insuring the validity or priority of any mortgage or deed of trust shown or referred to in Schedule B hereof or any mortgage or deed of trust hereafter executed by the Insured which is a charge or lien on the land described or referred to in

Schedule A, and the amount so paid shall be deemed a payment to the Insured under this policy.

8. Coinsurance and Apportionment

(a) In the event that a partial loss occurs after the Insured makes an improvement subsequent to the date of this policy, and only in that event, the Insured becomes a co-insurer to the extent hereinafter set forth.

If the cost of the improvement exceeds twenty per centum of the amount of this policy, such proportion only of any partial loss established shall be borne by the Company as one hundred twenty per centum of the amount of this policy bears to the sum of the amount of this policy and the amount expended for the improvement. The foregoing provisions shall not apply to costs and attorneys' fees incurred by the Company in prosecuting or providing for the defense of actions or proceedings in behalf of the Insured pursuant to the terms of this policy or to costs imposed on the Insured in such actions or proceedings, and shall apply only to that portion of losses which exceed in the aggregate ten per cent of the face of the policy.

Provided, however, that the foregoing coinsurance provisions shall not apply to any loss arising out of a lien or encumbrance for a liquidated amount which existed on the date of this policy and was not shown in Schedule B; and provided further, such coinsurance provisions shall not apply to any loss if, at the time of the occurrence of such loss, the then value of the premises, as so improved, does not exceed one hundred twenty per centum of the amount of this policy.

(b) If the land described or referred to in Schedule A is divisible into separate and non-contiguous parcels, or if contiguous and such parcels are not used as one single site, and a loss is established affecting one or more of said parcels but not all, the loss shall be computed and settled on a pro rata basis as if the face amount of this policy was divided pro rata as to the value on the date of this policy of each separate independent parcel to the whole, exclusive of any improvements made subsequent to the date of this policy, unless a liability or value has otherwise been agreed upon as to each such parcel by the Company and the Insured at the time of the issuance of this policy and shown by an express statement herein or by an endorsement attached hereto.

9. Subrogation upon Payment or Settlement

Whenever the Company shall have settled a claim under this policy, all right of subrogation shall vest in the Company unaffected by any act of the Insured, and it shall be subrogated to and be entitled to all rights and remedies which the Insured would have had against any person or property in respect to such claim had this policy not been issued. If the payment does not cover the loss of the Insured, the Company shall be subrogated to such rights and remedies in the proportion which said payment bears to the amount of said loss. If loss should result from any act of the Insured, such act shall not void this policy, but the Company, in that event, shall be required to pay only that part of any losses insured against hereunder which shall exceed the amount, if any, lost to the Company by reason of the impairment of the right of subrogation. The Insured, if requested by the Company, shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect such right of subrogation, and shall permit the Company to use the name of the Insured in any transaction or litigation involving such rights or remedies.

10. Policy Entire Contract

Any action or actions or rights of action that the Insured may have or may bring against the Company arising out of the status of the title insured herein must be based on the provisions of this policy.

No provision or condition of this policy can be waived or changed except by writing endorsed hereon or attached hereto signed by the President, a Vice President, the Secretary, an Assistant Secretary or other validating officer of the Company.

11. Notices, Where Sent

All notices required to be given the Company and any statement in writing required to be furnished the Company shall be addressed to it at its main office.

COMMITMENT FOR TITLE INSURANCE

CHICAGO TITLE INSURANCE COMPANY hereby commits to issue its policy or policies, as identified in Schedule A, in favor of the proposed Insured named in Schedule A, under the terms of and subject to the provisions and Conditions and Stipulations contained in the "American Land Title Association Commitment - 1966" issued by the Company, which are incorporated herein by reference and made a part of this Commitment; all subject to the provisions of Schedules A and B below, the Exclusions from Coverage and the General Exceptions contained in the policies issued pursuant to this Commitment.

NOTE: This Commitment shall not be valid or binding until signed by an authorized signatory.

SCHEDULE A

- | Number | Effective Date | Refer Inquiries To |
|---------------|-------------------|--------------------|
| 603845 DuPage | December 14, 1978 | Unit X |
1. **Owners Policy to be issued:** **Amount:** \$468,461.00
- Proposed Insured:**
- PRECISION BRAND PRODUCTS, INC.
- Loan Policy to be issued:** NONE **Amount:** NONE
- Proposed Insured:**
- NONE
2. The estate or interest in the land described or referred to in this Commitment and covered herein is a fee simple and title thereto is at the effective date hereof vested in:
- PRECISION STEEL WAREHOUSE, INC., A CORPORATION OF ILLINOIS
3. The mortgage and assignments, if any, covered by this Commitment are described as follows:
- NONE
4. The land referred to in this Commitment is described as follows:
- That part of the East half of Section 12, Township 38 North, Range 10, East of the Third Principal Meridian, described by beginning at the point of intersection of the West line of Belmont Road, as widened by dedication recorded February 10, 1960 as Document 955437 with the North line of Curtiss Street as dedicated by Plat recorded April 11, 1957 as Document 838580 and running thence Westerly on said North line of Curtiss Street, 634.0 feet; thence Northerly on a line which forms an angle of 88 degrees 57 minutes 40 seconds with the last described course, as measured from East to North 350.0 feet, thence Easterly parallel with said North line of Curtiss Street, 644.2 feet to the West line of said Belmont Road; thence Southerly along said West line, on a curve to the left, having a radius of 6,790.79 feet, an arc distance of 350.4 feet (the long cord of said curve measuring 350.33 feet), to the place of beginning, in DuPage County, Illinois.

GENERAL EXCEPTIONS IN POLICIES

The owners policy will be subject to the following General Exceptions: (1) Rights or claims of parties in possession not shown by the public records. (2) Encroachments, overlaps, boundary line disputes, and any matters which would be disclosed by an accurate survey and inspection of the premises. (3) Easements, or claims of easements, not shown by the public records. (4) Any lien, or right to a lien, for services, labor, or material heretofore or hereafter furnished, imposed by law and not shown by the public records. (5) Taxes or special assessments which are not shown as existing liens by the public records.

The G or H form loan policy will be subject to the foregoing General Exceptions (4) and (5), and the H form will also be subject to Consequences of the failure of the lender to pay out properly the whole or any part of the loan secured by the trust deed or mortgage covered by the Commitment, as affecting: (a) The validity of the lien of said trust deed or mortgage, and (b) The priority of the lien over any other right, claim, lien or encumbrance which has or may become superior to the lien of said trust deed or mortgage before the disbursement of the entire proceeds of the loan.

SCHEDULE B

Schedule B of the policy or policies to be issued will contain the applicable General Exceptions (see above), and, if an owners policy is to be issued, the encumbrance, if any, shown in Schedule A; and exceptions to the following matters unless the same are disposed of to the satisfaction of the Company:

(1) Defects, liens, encumbrances, adverse claims or other matters, if any, created, first appearing in the public records or attaching subsequent to the effective date hereof but prior to the date the proposed Insured acquires for value of record the estate or interest or mortgage thereon covered by this Commitment.

(2) An ALTA LOAN POLICY will be subject to the following exceptions (a) and (b), in the absence of the production of the data and other essential matters described in our Form 3735. (a) Any lien, or right to a lien, for services, labor, or material heretofore or hereafter furnished, imposed by law and not shown by the public records; (b) Consequences of the failure of the lender to pay out properly the whole or any part of the loan secured by the mortgage described in Schedule A, as affecting: (i) the validity of the lien of said mortgage; and (ii) the priority of the lien over any other right, claim, lien or encumbrance which has or may become superior to the lien of said mortgage before the disbursement of the entire proceeds of the loan.

9. Taxes for the year 1978.

9b. Taxes on the land for the year 1977, in the amount of \$17,988.18 are paid of record.

(Permanent Index No. 08-12-401-003)

9d. General taxes for the year 1978 are not yet due and payable.

11. Rights of way for drainage tiles, ditches, feeders and laterals.

12. Rights of the public and adjoining owners to the free and unobstructed flowage of the waters of the creek running through the land.

13. Grant dated September 12, 1966 and recorded October 7, 1966 as Document R66-40200 from Precision Steel Warehouse, Inc., a corporation of Illinois, to Commonwealth Edison Company and Illinois Bell Telephone Company, their successors and assigns, of the right, permission and authority to construct, maintain, relocate and renew their equipment and other necessary facilities for utility purposes upon, over and under the Northerly 5 feet on the land, together with such provisions as therein contained.

CHICAGO TITLE INSURANCE COMPANY

603845 DuPage

-3-

Unit X

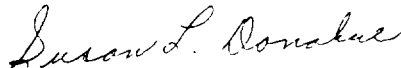

14. NOTE: Possible easement of any public service corporation as disclosed by service poles on the rear of the land, which should be considered when dealing with said property.

15. NOTE FOR INFORMATION:

The land lies within the Downers Grove Sanitary District which has accepted Federal grants for sewage treatment works pursuant to Public Law 92-500. Federal law requires a user charge system separate from general ad valorem property taxes. Attention is directed to Ordinance recorded in DuPage County, Illinois on August 21, 1975 as Document R75-43755.

16. Right, title and interest of Precision Brand Products, Inc., under an unrecorded contract to purchase the land and the rights of all those claiming thereunder.

COMMITMENT FOR TITLE INSURANCE

CHICAGO TITLE INSURANCE COMPANY hereby commits to issue its policy or policies, as identified in Schedule A, in favor of the proposed Insured named in Schedule A, under the terms of and subject to the provisions and Conditions and Stipulations contained in the "American Land Title Association Commitment-1966" issued by the Company, which are incorporated herein by reference and made a part of this Commitment; all subject to the provisions of Schedules A and B below, the Exclusions from Coverage and the General Exceptions contained in the policies issued pursuant to this Commitment.

NOTE: This Commitment shall not be valid or binding until signed by an authorized signatory.

SCHEDULE A

Number	Effective Date	Refer Inquiries To
603845 DuPage	February 9, 1979	UNIT X

1. Owners Policy to be issued: Amount: \$457,000.00

Proposed Insured:
PRECISION BRAND PRODUCTS, INC.

Loan Policy to be issued: NONE Amount: NONE

Proposed Insured:
NONE

2. The estate or interest in the land described or referred to in this Commitment and covered herein is a fee simple and title thereto is at the effective date hereof vested in:

PRECISION BRAND PRODUCTS, INC., A CORPORATION OF DELAWARE

3. The mortgage and assignments, if any, covered by this Commitment are described as follows:

NONE

4. The land referred to in this Commitment is described as follows:

AS SET FORTH BELOW

GENERAL EXCEPTIONS IN POLICIES

The owners policy will be subject to the following General Exceptions: (1) Rights or claims of parties in possession not shown by the public records; (2) Encroachments, overlaps, boundary line disputes, and any matters which would be disclosed by an accurate survey and inspection of the premises; (3) Easements, or claims of easements, not shown by the public records; (4) Any lien, or right to a lien, for services, labor, or material heretofore or hereafter furnished, imposed by law and not shown by the public records; (5) Taxes or special assessments which are not shown as existing liens by the public records.

The G or H form loan policy will be subject to the foregoing General Exceptions (4) and (5), and the H form will also be subject to: Consequences of the failure of the lender to pay out properly the whole or any part of the loan secured by the trust deed or mortgage covered by the Commitment, as affecting: (a) The validity of the lien of said trust deed or mortgage; and (b) The priority of the lien over any other right, claim, lien or encumbrance which has or may become superior to the lien of said trust deed or mortgage before the disbursement of the entire proceeds of the loan.

SCHEDULE B

Schedule B of the policy or policies to be issued will contain the applicable General Exceptions (see above); and, if an owners policy is to be issued, the encumbrance, if any, shown in Schedule A; and exceptions to the following matters unless the same are disposed of to the satisfaction of the Company:

(1) Defects, liens, encumbrances, adverse claims or other matters, if any, created, first appearing in the public records or attaching subsequent to the effective date hereof but prior to the date the proposed Insured acquires for value of record the estate or interest or mortgage thereon covered by this Commitment.

(2) An ALTA LOAN POLICY will be subject to the following exceptions (a) and (b), in the absence of the production of the data and other essential matters described in our Form 3735. (a) Any lien, or right to a lien, for services, labor, or material heretofore or hereafter furnished, imposed by law and not shown by the public records; (b) Consequences of the failure of the lender to pay out properly the whole or any part of the loan secured by the mortgage described in Schedule A, as affecting: (i) the validity of the lien of said mortgage; and (ii) the priority of the lien over any other right, claim, lien or encumbrance which has or may become superior to the lien of said mortgage before the disbursement of the entire proceeds of the loan.

9. Taxes for the years 1978 and 1979.

9b. Taxes on the land for the year 1977, in the amount of \$17,988.18 are paid of record.

(Permanent Index Number 08-12-401-003).

9d. General taxes for the years 1978 and 1979 are not yet due and payable.

11. Rights of way for drainage tiles, ditches, laterals, and feeders.

12. Rights of the public and adjoining owners to the free and unobstructed flowage of the waters of the creek running thru the land.

13. Grant dated September 12, 1966 and recorded October 7, 1966 as Document R66-40200 from Precision Steel Warehouse, Inc., a corporation of Illinois, to Commonwealth Edison Company and Illinois Bell Telephone Company, their successors and assigns, of the right, permission and authority to construct, maintain, relocate and renew their equipment and other necessary facilities for utility purposes upon, over and under the Northerly 5 feet on the land, together with such provisions as therein contained.

14. NOTE: Possible easement of any public service corporation as disclosed by service poles on the rear of the land.

The undersigned, being first duly sworn, upon oath deposes and says, and also covenants and agrees:

That the undersigned is the grantor in the deed to PRECISION STEEL WAREHOUSE, INC., an Illinois corporation,

grantee, dated November 23, 1937, conveying the following described premises:
(See legal description attached hereto and made a part hereof.)

That part of the East Half of Section 12, Township 38 North, Range 10 East of the Third Principal Meridian, described by beginning at the point of intersection of the West line of Belmont Road, as widened by dedication recorded February 10, 1960 as Document 955437 with the North line of Curtiss Street as dedicated by plat recorded on April 11, 1957 as Document 838580 and running thence Westerly on said North line of Curtiss Street, 634.0 feet; thence Northerly on a line which forms an angle of 88° 57' 40" with the last described course, as measured from East to North, 350.0 feet, thence Easterly parallel with said North line of Curtiss Street, 644.2 feet to the West line of said Belmont Road; thence Southerly along said West line, on a curve to the left, having a radius of 6790.79 feet, an arc distance of 350.4 feet (the long chord of said curve measuring 350.33 feet), to the place of beginning, in Du Page County, Illinois.

That no suit is pending against affiant, nor is there any judgment note, or other instrument signed by affiant that can result in a judgment or decree within five days.

That all water taxes, except the current bill, have been paid, and that all the insurance policies assigned have been paid for.

That this affidavit, and covenant, is made to induce, and in consideration of, the said grantee, consummating the purchase of said premises without an escrow, and without further inquiry, investigation or evidence.

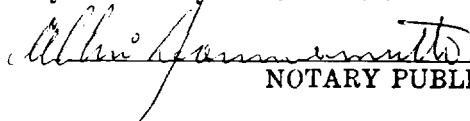

Affiant further states:

 (SEAL)
Rudolph C. Ellsworth, as Trustee

Mr. Rudolph C. Ellsworth, Trustee
under Trust Agreement dated the
23rd day of November, 1937

Dear Mr. Ellsworth:

You are hereby requested to convey the five acres
at the Northwest corner of Curtiss and Belmont Road, legally
described as follows:

That part of the East Half of Section 12, Township 38
North, Range 10 East of the Third Principal Meridian,
described by beginning at the point of intersection of
the West line of Belmont Road, as widened by dedication
recorded February 10, 1960 as Document 955437 with the
North line of Curtiss Street as dedicated by plat re-
corded on April 11, 1957 as Document 838580 and running
thence Westerly on said North line of Curtiss Street,
634.0 feet; thence Northerly on a line which forms an
angle of $88^{\circ} 57' 40''$ with the last described course, as
measured from East to North, 350.0 feet, thence Easterly
parallel with said North line of Curtiss Street, 644.2
feet to the West line of said Belmont Road; thence South-
erly along said West line, on a curve to the left, having
a radius of 6790.79 feet, an arc distance of 350.4 feet
(the long chord of said curve measuring 350.33 feet), to
the place of beginning, in Du Page County, Illinois

to Precision Steel Warehouse, Inc., an Illinois corporation.

This conveyance is made pursuant to a real estate
contract between the undersigned, as trustee under Trust 7165,
dated 7/1/65, and Rudolph C. Ellsworth as trustee. Said

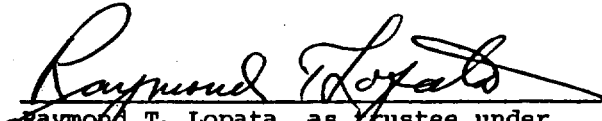

Raymond W. Gato

Rudolph C. Ellsworth

Susan R. Conner, being duly sworn on oath, states that she resides at Suburban Ctr., Wheaton, Illinois. That the attached deed is not in violation of Section 1 of Chapter 109 of the Illinois Revised Statutes for one of the following reasons:

1. The division or subdivision of land is into parcels or tracts of 5 acres or more in size which does not involve any new streets or easements of access.
2. The division is of lots or blocks of less than 1 acre in any recorded subdivision which does not involve any new streets or easements of access.
3. The sale or exchange of parcels of land is between owners of adjoining and contiguous land.
4. The conveyance is of parcels of land or interests therein for use as right of way for railroads or other public utility facilities, which does not involve any new streets or easements of access.
5. The conveyance is of land owned by a railroad or other public utility which does not involve any new streets or easements of access.
6. The conveyance is of land for highway or other public purposes or grants or conveyances relating to the dedication of land for public use or instruments relating to the vacation of land impressed with a public use.
7. The conveyance is made to correct descriptions in prior conveyances.
8. The sale or exchange is of parcels or tracts of land following the division into no more than two parts of a particular parcel or tract of land existing on July 17, 1959 and not involving any new streets or easements of access.
9. The sale is of a single lot of less than 5 acres from a larger tract, the dimensions and configurations of said larger tract having been determined by the dimensions and configuration of said larger tract on October 1, 1973 and no sale, prior to this sale, of any lot or lots from said larger tract having taken place since October 1, 1973 and a survey of said single lot having been made by a registered land surveyor.
10. The instrument aforesaid is a conveyance of an existing parcel or tract of land.

CIRCLE NUMBER ABOVE WHICH IS APPLICABLE TO ATTACHED DEED

AFFIANT further states that he makes this affidavit for the purpose of inducing the Recorder of Deeds of DuPage County, Illinois to accept the attached deed for recording.

R79-05474

REAL ESTATE SALE CONTRACT • For Title Insurance Policy Only

Precision Steel Warehouse, Inc., an Illinois corporation agree to purchase at the price of **\$54,885.00** Dollars the following described real estate, in the County of Cook, State of Illinois, to-wit:

Lot 11 (except the East 20 feet thereof) and the East 77 feet of Lot 12 in Resubdivision of Lots 8-13, inclusive, in Ellsworth Park Unit No. 3, a Subdivision situated in the South Half (1/2) of Section Twelve (12), Township Thirty-Eight (38) North, Range Ten (10), East of the Third (3rd) Principal Meridian, according to the plat thereof recorded February 2, 1960 as Document No. 954717.

and **Ellsworth Park Development Corporation, an Illinois corporation** agree to sell said premises at said price, and to convey or cause to be conveyed to the purchaser a good title thereto by **Stamped Warranty** deed, with release of dower and homestead rights, subject only to:

- (1) Existing leases expiring **None**; (2) ~~Special taxes or assessments for improvements not yet completed;~~ (3) ~~Installments not due at the date hereof of any special tax or assessment for improvements heretofore completed;~~ (4) General taxes for the year **1963** and subsequent years; (5) Building, building line and use or occupancy restrictions, conditions and covenants of record; (6) Zoning and building laws or ordinances; (7) Party wall rights or agreements, if any; (8) Roads and highways, if any; (9) Principal indebtedness aggregating \$ **_____**, payable

~~bearing interest at the rate of **7%** per annum, secured by mortgage or trust deed of record, (which said principal indebtedness, upon the consummation of this sale, shall be deducted from the above purchase price); and to~~

This contract is contingent upon the buyers' obtaining a soil bearing test which will indicate to them that the land will have bearing qualities satisfactory for their use.

This test shall be made within ten days.

Rents, water taxes, insurance premiums and interest accrued on mortgage indebtedness, if any, and other similar items, are to be adjusted pro rata as of the date of delivery of deed, and existing leases and insurance policies, if any, shall thereupon be assigned and delivered to purchaser. General taxes for the year **1963** are to be prorated from January 1, to the date of delivery of deed, and if the amount of such taxes is not then ascertainable, the prorating shall be on the basis of **\$3,500.00** the most recent ascertainable taxes.

The purchaser has paid **\$51,385.00** Dollars as earnest money to be applied on said purchase when consummated, and agrees to pay, within five days after the title is shown to be good or is accepted by purchaser, the further sum of **\$3,500.00** Dollars, provided a deed as aforesaid shall then be ready for delivery. The balance, \$ **_____**, shall be paid as follows:

~~with interest from the date of delivery of deed at the rate of **7%** per annum, payable to be evidenced and secured by the purchaser's notes and trust deed of even date with said deed on said premises in a form ordinarily used by **_____**~~

Within twenty days from the date hereof seller shall deliver to purchaser or his agent (which delivery may be made at the office of **W. W. K. & Co., 346 E. 2nd St., Chicago, Ill.**) a title insurance policy of the Chicago Title and Trust Company in the amount of the purchase price, covering the date hereof, or its customary preliminary report on title covering the date hereof, showing title in seller (or grantor), subject only to the matters to which this sale is subject by the terms hereof, and to the usual exceptions contained in owners policies issued by said Company. If the report on title or title insurance policy so required to be furnished by the seller discloses any defects in title (other than such usual exceptions contained in owners policies and the matters to which this sale is subject by the terms hereof), seller shall, upon tendering the same to purchaser or his agent within twenty days from the date hereof, have sixty days from the date which such report or title insurance policy bears within which to cure such defects and to furnish such title insurance policy or a later report showing such defects cured or removed. Every title insurance policy or report on title furnished by the seller hereunder shall be conclusive evidence of good title as therein shown, subject only to the exceptions therein stated. If such defects in title be not cured within said sixty days, purchaser may terminate this contract or may, at his election, take the title as it then is (with the right to deduct from the purchase price liens or encumbrances of a definite or ascertainable amount), upon giving to seller or his agent notice of such election and tendering performance on his part, and in default of such notice of election or tender of performance within ten days after written notice to purchaser or his agent of the inability of seller to cure such defects this contract thereupon shall, without further action by either party, become null and void. If this contract be terminated except for purchaser's default, said earnest money shall be returned to purchaser. Unless otherwise herein provided, seller pays for title insurance in an amount equal to the total purchase price stated herein.

If purchaser defaults hereunder, then, at the option of seller, said earnest money shall be forfeited as liquidated damages and this contract thereupon shall become null and void.

If, prior to delivery of deed hereunder, the improvements on said premises shall be destroyed or materially damaged by fire or other casualty, this contract shall, at the option of purchaser, become null and void. Payment of purchase price and delivery of deed shall be made at the office of Keehn & Lopata
208 S. La Salle Street, Chicago 4, Illinois

All notices and demands herein required shall be in writing. The mailing of a notice by registered mail to the seller at 208 S. La Salle Street, Chicago 4, Illinois, or to the purchaser at 421 Maple Avenue, Downers Grove, Illinois, shall be sufficient service thereof.

The seller agrees to pay a broker's commission to J. J. Harrington & Co. ~~as agreed~~
~~recommended in the present schedule of commissions of the Real Estate Board~~
~~applicable to this sale.~~ **at 6% of the selling price.**

Time is of the essence of this contract. The words "date hereof" mean date of delivery of this contract.

This contract and the earnest money shall be held by J. J. Harrington
for the mutual benefit of the parties hereto. Unless the purchaser shall be entitled to a refund of the earnest money, the same shall be applied first to the payment of any expenses incurred for the seller by said broker, and second to the payment of said commission, the balance, if any, to be paid to seller.

At the election of seller or purchaser evidenced by notice to the other party at any time prior to the date for delivery of deed hereunder, this sale shall be closed through an escrow with Chicago Title and Trust Company, in accordance with the general provisions of the usual form of Deed and Money Escrow Agreement then furnished and in use by Chicago Title and Trust Company, with such special provisions inserted in the escrow agreement as may be required to conform with this contract. Upon the creation of such an escrow, anything herein to the contrary notwithstanding, payment of purchase price and delivery of deed shall be made through the escrow and this contract and the earnest money shall be deposited in the escrow. The cost of the escrow shall be divided equally between seller and purchaser.

In the event this contract is consummated, the seller hereby agrees to grant an option to the purchaser to purchase the balance of Lot 12 in this subdivision for two years at the price of \$.42 (cents) per square foot. The balance of Lot 12 is approximately 156' x 513' and contains approximately two acres.

Seller shall furnish a plat of survey for both that part of lots 11 and 12 covered by this contract and also for the balance of lot 12.

The Western line of this property shall be so placed that this sale shall cover three acres or as close to three acres as is reasonably possible. Thus in the final plat the Western line of this property may be moved either to the west or the east, but it is expected the line shall not be moved more than two feet.

It is understood that the above option shall include approximately 13 feet of Lot 24 in the event that same is necessary so that it will contain as near to two acres as is possible which shall be established and verified by plat of survey to be furnished by the seller

Precision Steel Warehouse, Inc.
3500 North Wolf Road
Franklin Park, Illinois

Attention: Mr. Thaler

Dear Mr. Thaler:

Reference is made to your option to purchase two acres adjoining on the West Lots 11 and 12 which you have already purchased from us. Your option is dated the 15th day of October, 1963, and is set forth on a Plat of Survey prepared by Wight & Company Job No. 16036, dated October 23, 1963. This parcel has now become a part of a resubdivision of Lots 10, 11, 12 and 24, and will in the future be described as follows:

Lot 3 in Frank Lopata's Resubdivision of Lots 10, 11 and 12 in the Subdivision of Lots 8 to 13, inclusive, in Ellsworth Park Unit No. 3 and Lot 24 in Ellsworth Park Unit No. 5, being a Subdivision situated in part of the Southwest quarter of Section 12, Township 38 North, Range 10 East of the Third Principal Meridian, Du Page County, Illinois.

This change of legal description will in no way change your present option to purchase these two acres.

In a letter dated June 7, 1965, we offered you this land at a reduction of \$1,830.00 below your option price of \$36,600.00. This offer is still good providing it is exercised before July 15, 1965, and would result in a discount to you of 20% computed on a per annum basis.

-2-

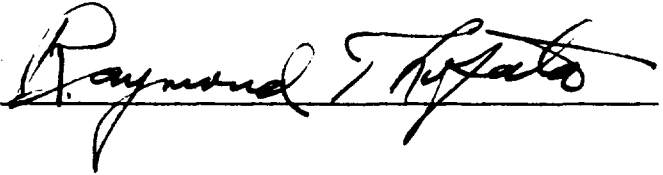

Precision Steel Warehouse, Inc.

June 25, 1965

I would appreciate hearing from you today in order that I may complete this resubdivision plat in so far as signatures are concerned for the Downers Grove Board Meeting next Monday.

Very truly yours,

ELLSWORTH PARK DEVELOPMENT CORP.

REAL ESTATE SALE CONTRACT • For Title Insurance Policy Only

ELLSWORTH PARK DEVELOPMENT CORP., an Illinois corporation agrees to purchase at the price of FIFTY-SIX THOUSAND EIGHT HUNDRED EIGHTY-FIVE & NO/100 --- Dollars the following described real estate, in the County of Cook, State of Illinois, to-wit: (\$56,885.00)

Lot 2 in Frank Lopata's Resubdivision of Lots 10, 11 and 12 in the Resubdivision of Lots 8 to 13 inclusive in Ellsworth Park Unit #3 and Lot 24 in Ellsworth Park Unit #5, being subdivisions situated in part of the Southwest quarter of Section 12, Township 38 North, Range 10 East of the Third Principal Meridian, Du Page County, Illinois.

and PRECISION STEEL WAREHOUSE, INC., an Illinois corporation agrees to sell said premises at said price, and to convey or cause to be conveyed to the purchaser a good title thereto by warranty deed, with release of dower and homestead rights, subject only to:

- (1) Existing leases expiring none; (2) ~~Special taxes or assessments for improvements not yet completed~~; (3) ~~Installments not due at the date hereof of any special tax or assessment for improvements heretofore completed~~; (4) General taxes for the year 1965 and subsequent years; (5) Building, building line and use or occupancy restrictions, conditions and covenants of record; (6) Zoning and building laws or ordinances; (7) ~~Party wall rights or agreements, if any~~; (8) Roads and highways, if any; (9) ~~Principal indebtedness aggregating \$-----, payable~~

~~bearing interest at the rate of ---% per annum, secured by mortgage or trust deed of record, (which said principal indebtedness, upon the consummation of this sale, shall be deducted from the above purchase price); and to~~

Rents, water taxes, insurance premiums and interest accrued on mortgage indebtedness, if any, and other similar items, are to be adjusted pro rata as of the date of delivery of deed, and existing leases and insurance policies, if any, shall thereupon be assigned and delivered to purchaser. General taxes for the year 1965 are to be prorated from January 1, to the date of delivery of deed, and if the amount of such taxes is not then ascertainable, the prorating shall be on the basis of the amount of the most recent ascertainable taxes.

The purchaser has paid FIVE THOUSAND AND NO/100 -- -- (\$5,000.00) -- -- Dollars as earnest money to be applied on said purchase when consummated, and agrees to pay, within five days after the title is shown to be good or is accepted by purchaser, the further sum of FIFTY-ONE THOUSAND EIGHT HUNDRED EIGHTY-FIVE AND NO/100 -- -- (\$51,885.00) ----- Dollars, provided a deed as aforesaid shall then be ready for delivery. The balance, \$----- shall be paid as follows:

~~with interest from the date of delivery of deed at the rate of ----- per centum per annum, payable ----- to be evidenced and secured by the purchaser's notes and trust deed of even date with said deed on said premises in a form ordinarily used by~~

(If this blank is not filled in, said notes and trust deed shall be in a form ordinarily used by the Chicago Title and Trust Company.)

Within twenty days from the date hereof seller shall deliver to purchaser or his agent (which delivery may be made at the office of Lopata, Bromberek & Smith) a title insurance policy of the Chicago Title and Trust Company in the amount of the purchase price, covering the date hereof, or its customary preliminary report on title covering the date hereof, showing title in seller (or grantor), subject only to the matters to which this sale is subject by the terms hereof, and to the usual exceptions contained in owners policies issued by said Company. If the report on title or title insurance policy so required to be furnished by the seller discloses any defects in title (other than such usual exceptions contained in owners policies and the matters to which this sale is subject by the terms hereof), seller shall, upon tendering the same to purchaser or his agent within twenty days from the date hereof, have sixty days from the date which such report or title insurance policy bears within which to cure such defects and to furnish such title insurance policy or a later report showing such defects cured or removed. Every title insurance policy or report on title furnished by the seller hereunder shall be conclusive evidence of good title as therein shown, subject only to the exceptions therein stated. If such defects in title be not cured within said sixty days, purchaser may terminate this contract or may, at his election, take the title as it then is (with the right to deduct from the purchase price liens or encumbrances of a definite or ascertainable amount), upon giving to seller or his agent notice of such election and tendering performance on his part, and in default of such notice of election or tender of performance within ten days after written notice to purchaser or his agent of the inability of seller to cure such defects this contract thereupon shall, without further action by either party, become null and void. If this contract be terminated except for purchaser's default, said earnest money shall be returned to purchaser. Unless otherwise herein provided, seller pays for title insurance in an amount equal to the total purchase price stated herein.

If purchaser defaults hereunder, then, at the option of seller, said earnest money shall be forfeited as liquidated damages and this contract thereupon shall become null and void.

If, prior to delivery of deed hereunder, the improvements on said premises shall be destroyed or materially damaged by fire or other casualty, this contract shall, at the option of purchaser, become null and void. Payment of purchase price and delivery of deed shall be made at the office of Lopata, Bromberg & Smith,
69 West Washington St., Chicago, Illinois 60602

All notices and demands herein required shall be in writing. The mailing of a notice by registered mail to the seller at 421 Maple Avenue, Downers Grove, Illinois or to the purchaser at 69 West Washington St., Chicago shall be sufficient service thereof.

The seller agrees to pay a broker's commission to no one in the amount _____ recommended in the present schedule of commissions of the Real Estate Board applicable to this sale.

Time is of the essence of this contract. The words "date hereof" mean date of delivery of this contract.

~~This contract~~ and the earnest money shall be held by J. J. Harrington & Co. for the mutual benefit of the parties hereto. Unless the purchaser shall be entitled to a refund of the earnest money, the same shall be applied first to the payment of any expenses incurred for the seller by said broker, and second to the payment of said commission, the balance, if any, to be paid to seller.

This contract shall be held by both parties thereto and J. J. Harrington & Co.

This contract is contingent upon Seller's purchase of five acres of land located at the Northwest corner of Belmont Road and Curtiss Street from Raymond T. Lopata under Trust #7165.

Dated the 26th day of October A.D. 19 65

Attention: Mr. C. W. Tinsley, Vice-President

Dear Mr. Tinsley:

Reference is made to a real estate sale contract wherein Ellsworth Park Development Corp., an Illinois corporation, agreed to purchase Lot 2 in Frank Lopata's Resubdivision in part of the Southwest Quarter of Section 12, Township 38 North, Range 10, in Downers Grove, Illinois, and Precision Steel Warehouse, Inc. agreed to sell same.

This letter is your authority to issue a Warranty Deed to Ruth Baumann instead of to Ellsworth Park Development Corp. The reason for having your deed issued to a nominee is the fact that this property is to be placed in a land trust with Raymond T. Lopata as Trustee under Trust 7165, dated July 1, 1965. Ellsworth Park Development Corp. is fully cognizant of that fact and does hereby authorize the deed to Ruth Baumann.

Very truly yours,

ELLSWORTH PARK DEVELOPMENT CORP.

REAL ESTATE SALE CONTRACT • For Title Insurance Policy Only

PRECISION STEEL WAREHOUSE, INC., an Illinois corporation, agrees to purchase at the price of ONE HUNDRED THIRTY-THREE THOUSAND ONE HUNDRED FORTY & NO/100- Dollars (\$133,140.00) the following described real estate, in the County of Cook, State of Illinois, to-wit:

A parcel of land 350 ft. wide measured from north to south lying adjacent to and west of Belmont Road and 634 ft. long lying north of Curtiss Street, at the Northwest corner of Belmont and Curtiss St. in Downers Grove, Ill. Correct legal may be substituted from survey to be made.

and RAYMOND T. LOPATA as Trustee under Trust #7165 dated July 1, 1965 agrees to sell said premises at said price, and to convey or cause to be conveyed to the purchaser a good title thereto by Trustee's warranty deed, with release of dower and homestead rights, subject only to:

- (1) Existing leases expiring none; (2) ~~Special taxes or assessments for improvements not yet completed;~~ (3) ~~Installments not due at the date hereof of any special tax or assessment for improvements heretofore completed;~~ (4) General taxes for the year 1965 and subsequent years; (5) Building, building line and use or occupancy restrictions, conditions and covenants of record; (6) Zoning and building laws or ordinances; (7) Party wall rights or agreements, if any; (8) Roads and highways, if any; (9) ~~Principal indebtedness aggregating \$-----, payable~~

bearing interest at the rate of --- per annum, secured by mortgage or trust deed of record, (which said principal indebtedness, upon the consummation of this sale, shall be deducted from the above purchase price); and to

Rents, water taxes, insurance premiums and interest accrued on mortgage indebtedness, if any, and other similar items, are to be adjusted pro rata as of the date of delivery of deed, and existing leases and insurance policies, if any, shall thereupon be assigned and delivered to purchaser. General taxes for the year 1965 are to be prorated from January 1, to the date of delivery of deed, and if the amount of such taxes is not then ascertainable, the prorating shall be on the basis of the amount of the most recent ascertainable taxes.

The purchaser has paid TEN THOUSAND AND NO/100 ---- (\$10,000.00) ----- Dollars as earnest money to be applied on said purchase when consummated, and agrees to pay, within five days after the title is shown to be good or is accepted by purchaser, the further sum of ONE HUNDRED TWENTY-THREE THOUSAND ONE HUNDRED FORTY & NO/100-- (\$123,140.00) -- Dollars, provided a deed as aforesaid shall then be ready for delivery. The balance \$----- shall be paid as follows:

with interest from the date of delivery of deed at the rate of ----- per centum per annum, payable ----- to be evidenced and secured by the purchaser's notes and trust deed of even date with said deed on said premises in a form ordinarily used by -----

(If this blank is not filled in, said notes and trust deed shall be in a form ordinarily used by the Chicago Title and Trust Company.)

Within twenty days from the date hereof seller shall deliver to purchaser or his agent (which delivery may be made at the office of R. W. Tewksbury, P.O. Box 346, La Grange, Ill.) insurance policy of the Chicago Title and Trust Company in the amount of the purchase price, covering the date hereof, or its customary preliminary report on title covering the date hereof, showing title in seller (or grantor), subject only to the matters to which this sale is subject by the terms hereof, and to the usual exceptions contained in owners policies issued by said Company. If the report on title or title insurance policy so required to be furnished by the seller discloses any defects in title (other than such usual exceptions contained in owners policies and the matters to which this sale is subject by the terms hereof), seller shall, upon tendering the same to purchaser or his agent within twenty days from the date hereof, have sixty days from the date which such report or title insurance policy bears within which to cure such defects and to furnish such title insurance policy or a later report showing such defects cured or removed. Every title insurance policy or report on title furnished by the seller hereunder shall be conclusive evidence of good title as therein shown, subject only to the exceptions therein stated. If such defects in title be not cured within said sixty days, purchaser may terminate this contract or may, at his election, take the title as it then is (with the right to deduct from the purchase price liens or encumbrances of a definite or ascertainable amount), upon giving to seller or his agent notice of such election and tendering performance on his part, and in default of such notice of election or tender of performance within ten days after written notice to purchaser or his agent of the inability of seller to cure such defects this contract thereupon shall, without further action by either party, become null and void. If this contract be terminated except for purchaser's default, said earnest money shall be returned to purchaser. Unless otherwise herein provided, seller pays for title insurance in an amount equal to the total purchase price stated herein.

If purchaser defaults hereunder, then, at the option of seller, said earnest money shall be forfeited as liquidated damages and this contract thereupon shall become null and void.

If, prior to delivery of deed hereunder, the improvements on said premises shall be destroyed or materially damaged by fire or other casualty, this contract shall, at the option of purchaser, become null and void. Payment of purchase price and delivery of deed shall be made at the office of Lopata, Bromberg & Smith,
69 West Washington St., Chicago, Illinois 60602

All notices and demands herein required shall be in writing. The mailing of a notice by registered mail to the seller at 69 West Washington Street, or to the purchaser at 421 Maple Avenue, Downers Grove, Illinois, shall be sufficient service thereof.

The seller agrees to pay a broker's commission to J.J. Harrington & Co., as agreed in the amount recommended in the present schedule of commissions of the ~~Real Estate Board~~ applicable to this sale. at 6% of the selling price

Time is of the essence of this contract. The words "date hereof" mean date of delivery of this contract.

~~This contract and~~ the earnest money shall be held by J.J. Harrington & Co. for the mutual benefit of the parties hereto. Unless the purchaser shall be entitled to a refund of the earnest money, the same shall be applied first to the payment of any expenses incurred for the seller by said broker, and ~~second to the payment of said commission;~~ the balance, if any, to be paid to seller.

This contract shall be held by both parties thereto and J.J. Harrington & Co.

Seller shall have Ellsworth Park Development Corp. repurchase three acres now known as Lot 2 in Frank Lopata's Resubdivision of Lots 10, 11, 12 and 24 in Ellsworth Park for the sum of \$56,885.00. This repurchase shall be simultaneous with the closing of this matter, subject to usual prorations for taxes.

This contract is subject to soil tests which must disclose the land in question is capable of bearing a factory thereon.

Seller will furnish a plat of survey at his cost..

Purchaser shall issue two checks for said purchase - one for \$120,500.00 and the second for the balance due, less prorations, if any.

Gentlemen:

Receipt is hereby acknowledged of check #7536, dated October 29, 1965, payable to J. J. Harrington & Company in the amount of \$5,000.00. This amount represents the net to be deposited under two contracts, one of which is for five acres of land at Curtiss and Belmont which Precision Steel Warehouse is buying, and the other is for three acres known as Lot 2 in Frank F. Lopata's Resubdivision which Precision Steel Warehouse is selling.

The first contract under which Precision Steel Warehouse is buying requires a deposit of \$10,000.00. The second contract requires a deposit of \$5,000.00 by Ellsworth Park Development Corp., the buyer.

The undersigned, the agent for the seller under the first contract and the buyer under the second contract, has agreed to take a check for the net amount rather than having two checks, one for \$10,000.00 and one for \$5,000.00, held by J. J. Harrington & Company.

Very truly yours,

angle of 88 degrees 57 minutes 40 seconds with the last described
course, as measured from East to North 350.0 feet, thence Easterly
parallel with said North line of Curtiss Street, 644.2 feet to the
West line of said Belmont Road; thence Southerly along said West
line, on a curve to the left, having a radius of 6,790.79 feet,
an arc distance of 350.4 feet (the long cord of said curve measuring
350.33 feet), to the place of beginning, in DuPage County, Illinois.

hereby releasing and waiving all rights under and by virtue of the Homestead Exemption Laws of the State of
Illinois.

Document #

Shirley A. Rudolph, being duly sworn on oath, states that she resides at 301 W. 1st St., DuPage, Ill.. That the attached deed is not in violation of Section 1 of Chapter 109 of the Illinois Revised Statutes for one of the following reasons:

1. The division or subdivision of land is into parcels or tracts of 5 acres or more in size which does not involve any new streets or easements of access.
2. The division is of lots or blocks of less than 1 acre in any recorded subdivision which does not involve any new streets or easements of access.
3. The sale or exchange of parcels of land is between owners of adjoining and contiguous land.
4. The conveyance is of parcels of land or interests therein for use as right of way for railroads or other public utility facilities, which does not involve any new streets or easements of access.
5. The conveyance is of land owned by a railroad or other public utility which does not involve any new streets or easements of access.
6. The conveyance is of land for highway or other public purposes or grants or conveyances relating to the dedication of land for public use or instruments relating to the vacation of land impressed with a public use.
7. The conveyance is made to correct descriptions in prior conveyances.
8. The sale or exchange is of parcels or tracts of land following the division into no more than two parts of a particular parcel or tract of land existing on July 17, 1959 and not involving any new streets or easements of access.
9. The sale is of a single lot of less than 5 acres from a larger tract, the dimensions and configurations of said larger tract having been determined by the dimensions and configuration of said larger tract on October 1, 1973 and no sale, prior to this sale, of any lot or lots from said larger tract having taken place since October 1, 1973 and a survey of said single lot having been made by a registered land surveyor.
10. The instrument aforesaid is a conveyance of an existing parcel or tract of land.

CIRCLE NUMBER ABOVE WHICH IS APPLICABLE TO ATTACHED DEED

AFFIANT further states that she makes this affidavit for the purpose of inducing the Recorder of Deeds of DuPage County, Illinois to accept the attached deed for recording.

SECTION I - PRODUCT INFORMATION

TRADE NAME:
CHEMICAL NAME SYNONYMS: N.A.C.A.S. REGISTRY #: Mixture
CHEMICAL FAMILY: Hydrocarbon Solvent

FORMULA: Hydrocarbon Mixture

D.O.T. IDENTIFICATION #: N.A.

D.O.T. LABEL: N.A.

SECTION II - HAZARDOUS INGREDIENTS

INGREDIENT	PERCENT	TLV LEVEL	PEL LEVEL
Stoddard Solvent/Aliphatic Hydrocarbon	< 85%	* 100 ppm	* 100 ppm
Solvent Naphtha (Petroleum), Light Aromatic	< 25%	Not Estab.	Not Estab.
CONTAINS: 1,2,4-Trimethylbenzene	< 15%	25 ppm	25 ppm

NOTE : A complex combination of predominantly C8-C12
hydrocarbons; exact composition will vary. * Exposure Limit

PAGE 2

SECTION III - PHYSICAL DATA

BOILING POINT (DEG. F): ~313-402
FREEZING POINT (DEG.F): Not Estab.
VAPOR PRESSURE (MM HG): < ~5 @100F
VAPOR DENSITY (AIR=1) : > 4.2
SOLUBILITY IN WATER: Negligible

SPECIFIC GRAVITY: ~0.799
PERCENT VOLATILE
BY VOLUME%: 100 %
EVAPORATION RATE(nBuAc): < 1

APPEARANCE AND ODOR: Light-colored liquid. Typical Hydrocarbon odor.

SECTION IV - FIRE EXPLOSION HAZARD DATA

FLASH POINT (METHOD USED): 110 Deg. F. (Calculated).

FLAMMABLE LIMITS LEL: ~1.0 UEL: ~7.0

EXTINGUISHING MEDIA: Water Fog. Carbon Dioxide. Dry Chemical.
Foam. Water may be ineffective but should be used to cool fire-exposed structures and vessels. Do not use direct water stream.

SPECIAL FIRE FIGHTING PROCEDURES: Evacuate area of unprotected personnel. Wear protective clothing including a NIOSH-Approved self-contained breathing apparatus. Cool fire-exposed containers with water spray. Avoid water accumulation. Product may float and be reignited at water's surface. Run-off from fire control may cause pollution.

UNUSUAL FIRE EXPLOSION HAZARDS: COMBUSTIBLE LIQUID. Vapors are heavier than air. Vapors may settle in low or confined areas, or travel long distances along the ground or surface to an ignition source where they may ignite, flashback, or explode. Keep away from heat, sparks, flames, or other sources of ignition (e.g., static electricity, pilot lights, or mechanical/electrical equipment).
PROCESS HAZARD: Sudden release of hot organic chemical vapors or mists from process equipment operating at elevated temperature and pressure, or sudden ingress of air into vacuum equipment, may result in ignitions without the presence of obvious ignition

HYDR
HYDRITE CHEMICAL CO.

62

BI 139
1/ 1/97

MATERIAL SAFETY DATA SHEET

11/05/97

PAGE 3

SECTION IV - FIRE EXPLOSION HAZARD DATA

sources. Published "autoignition" or "ignition" temperature values cannot be treated as safe operating temperatures in chemical processes without analysis of the actual process conditions. Any use of this product in elevated-temperature processes should be thoroughly evaluated to establish and maintain safe operating conditions.

SECTION V - HEALTH HAZARD DATA

THRESHOLD LIMIT VALUE: Not Established (OSHA 29 CFR 1910.2-1-A)
Not Established (ACGIH 1997)

* Exposure Limits for product are not established. Use Exposure Limits for individual components as a guide. * Manufacturer (Exxon) recommends an exposure limit of 50 ppm (245 mg/m³) - 8 hour TWA for Solvent Naphtha (Petroleum), Light Aromatic.

EFFECTS OF OVEREXPOSURE

EYE CONTACT: High vapor concentration or liquid contact may cause eye irritation.

SKIN CONTACT: May cause mild irritation to skin. Prolonged and repeated contact with skin can cause defatting and drying of the skin which may result in skin irritation and dermatitis.

INHALATION: Vapors may cause irritation to the nose, throat and respiratory tract. Inhalation overexposure can lead to central nervous system depression producing effects such as headaches, nausea, dizziness and loss of consciousness. Extreme exposures may cause other central nervous system effects including death.

INGESTION: Liquid ingestion may result in vomiting; aspiration (breathing in of liquid into the lungs) must be avoided

MATERIAL SAFETY DATA SHEET

11/05/01

PAGE 4

SECTION V - HEALTH HAZARD DATA

as liquid contact with the lungs can result in chemical pneumonitis and pulmonary edema/hemorrhage. In severe cases, death may occur.

OTHER: Health studies have shown that many petroleum hydrocarbons and synthetic lubricants pose potential human health risks which may vary from person to person. As a precaution, exposure to liquids, vapors, mists or fumes should be minimized. Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage (sometimes referred to as Solvent or Painters' Syndrome). Intentional misuse by deliberately concentrating and inhaling this material may be harmful or fatal. Preexisting eye, skin, and respiratory disorders may be aggravated by exposure to this product. **ROUTES OF EXPOSURE:** Product can affect the body if it is inhaled, comes in contact with the eyes or skin, or is swallowed. **TARGET ORGANS:** Eyes. Skin. Respiratory System. Central Nervous System. Liver. Kidneys. Gastrointestinal Tract. Blood. Reports of animal test studies on one or more of the individual ingredients have shown embryo/fetotoxic effects. Reports of animal test studies on one or more of the individual ingredients have shown hearing loss and possible effects to: the liver, kidneys, lungs, spleen, heart, adrenals, blood, and bone marrow. In one of the studies, a low grade anemia was also observed. The relevance of these effects to man is unknown.

EMERGENCY AND FIRST AID PROCEDURES

EYE CONTACT: Immediately flush eyes with plenty of water for at least 15 minutes. Hold eyelids open during this flushing with water. Call a physician immediately.

SKIN CONTACT : Flush area with water while removing contaminated clothing and shoes. Follow by washing with soap and water. Do not reuse clothing or shoes until cleaned. If irritation persists, get medical attention. Do not apply oils or ointments unless ordered by the physician.

INGESTION: Do not induce vomiting. If vomiting occurs

YDR
YDRITE CHEMICAL CO.

62

L- 9
0/ 97

MATERIAL SAFETY DATA SHEET

11/05/97

PAGE 5

SECTION V - HEALTH HAZARD DATA

spontaneously, keep head below hips to prevent aspiration of liquid into the lungs. Contact a physician immediately. NOTE TO PHYSICIAN: If more than 2.0 mls-per kg has been ingested and vomiting has not occurred, emesis should be induced with supervision. Keep victim's head below hips to prevent aspiration. If symptoms such as loss of gag reflex, convulsions or unconsciousness occur before emesis, gastric lavage using a cuffed endotracheal tube should be considered.

INHALATION: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. If breathing is difficult, give oxygen. CALL A PHYSICIAN.

SECTION VI - REACTIVITY DATA

STABILITY: ☒ STABLE ☐ UNSTABLE

CONDITIONS TO AVOID: Avoid contact with heat, sparks, electric arcs, other hot surfaces, and open flames.

INCOMPATIBILITY: Strong Oxidizing Agents. Strong bases. Strong Acids. Reducing Agents. Selected Amines.

HAZARDOUS DECOMPOSITION PRODUCTS: Thermal decomposition may produce Carbon Monoxide, Carbon Dioxide, and unidentifiable organic materials.

HAZARDOUS POLYMERIZATION: ☐ MAY OCCUR ☒ WILL NOT OCCUR

SECTION VII - SPILL OR LEAK PROCEDURES

STEPS TO BE TAKEN IN CASE MATERIAL IS RELEASED OR SPILLED:

COMBUSTIBLE MATERIAL. Eliminate all sources of ignition. Evacuate unprotected personnel from area. Maintain adequate ventilation. Use proper Safety Equipment. Contain spill, place into

HYDRITE CHEMICAL CO.

L 39
C /97

MATERIAL SAFETY DATA SHEET

11/05/00

PAGE 6

SECTION VII - SPILL OR LEAK PROCEDURES

drums for proper disposal. Soak up residue with non-flammable absorbent material. Place in non-leaking containers for immediate disposal. Flush remaining area with water to remove trace residue and dispose of properly. Avoid direct discharge to sewers and surface waters. Notify authorities if entry occurs.

WASTE DISPOSAL METHOD: Observe all Local, State, and Federal Regulations. Dispose of at approved Waste Treatment Facility. Reclaim (recycle) solvent. DO NOT pressurize, cut, weld, braze, solder, drill, grind or expose empty containers to heat, flame, sparks or other sources of ignition.

SECTION VIII - SPECIAL PROTECTION INFORMATION

CONSULT SAFETY EQUIPMENT DISTRIBUTOR

RESPIRATORY PROTECTION: If recommended Exposure Limits are exceeded wear: NIOSH-Approved organic respirator. NIOSH-Approved Air Purifying Respirator. NIOSH-Approved self-contained breathing apparatus. Do not exceed limits established by the respirator manufacturer. Respiratory protection programs must comply with 29 CFR 1910.134.

VENTILATION: Maintain adequate ventilation. Do not use in closed or confined space. Keep levels below recommended Exposure Limits. To determine exposure levels, monitoring should be performed regularly. Use explosion-proof equipment. Avoid mist formation.

PROTECTIVE GLOVES: Chemical - resistant gloves.

EYE PROTECTION: Chemical Safety Goggles. Safety glasses with side shields. Face shield. Do not wear contact lenses.

OTHER PROTECTIVE EQUIPMENT: Eye-wash station. Safety shower. Rubber apron. Chemical safety shoes. Protective clothing.

HYDR
HYDRITE CHEMICAL CO.

PAGE 7

SECTION IX - SPECIAL PRECAUTIONS

PRECAUTIONS TO BE TAKEN IN HANDLING AND STORING:

COMBUSTIBLE LIQUID. Store in cool, well-ventilated area away from all sources of ignition and out of direct sunlight. Keep containers tightly closed. Always open containers slowly to allow any excess pressure to vent. Store away from incompatible materials. Do not store in unlabeled or mislabeled containers. Static electricity may accumulate and create a fire hazard. Ground fixed equipment. Bond and ground transfer containers and equipment.

OTHER PRECAUTIONS: Avoid contact with skin and eyes. Do not swallow. Use with adequate ventilation. Avoid prolonged or repeated breathing of vapors. Wash thoroughly after handling. Avoid dust or mist formation. Do not eat, drink, or smoke in work area. Launder contaminated clothing before reuse. Air-dry contaminated clothing in a well ventilated area before laundering.

SECTION X - SUPPLEMENTAL HEALTH INFORMATION

CARCINOGEN CONTENT

*Providing a Better Environment for South Central
DuPage County*

September 17, 1992

Dear District User:

The Downers Grove Sanitary District is asking commercial and industrial users to complete and return the enclosed survey questionnaire.

The purpose of this survey is to identify all District users who discharge wastes other than domestic sewage into the District's system and those users who have materials which are prohibited from discharge to the sanitary sewer system. These users will then be required to comply with the District's pretreatment ordinance by obtaining a discharge permit and/or preparing contingency plans.

The survey is being done at this time to assure that commercial and industrial users are in compliance with the recent revisions to the federal pretreatment regulations. The District plans to resurvey at regular intervals to keep the information up to date.

Please respond to the questions as completely as possible. If the information requested is just not obtainable, then don't answer the question. If you believe that you have a reasonably good answer, but don't know for sure, then your best estimate is an acceptable response.

The completed forms should be returned to the District, at the address above, by October 30, 1992. We have a large number of surveys to review and intend to respond to each users' questionnaire, so your cooperation in completing the survey and returning it as soon as possible will be greatly appreciated.

If you have any questions or comments regarding this questionnaire, please feel free to call myself, Jan Lacina, or Jim Jacobson at 969-0664.

Sincerely,
DOWNERS GROVE SANITARY DISTRICT

Janet M. Lacina

1. Please provide a brief narrative description of the manufacturing or service activities at your facility:

Limited amount of ^{light} manufacturing 3/4 of plant
warehousing and 1/4 manufacturing We cut large
Master coils to lengths of 12" TO 180" We also have
a thread rolling process.

2. List the Standard Industrial Classification Codes (SIC) which apply to your facility:

3429 3496 3499 - 3545

3. Please check all the appropriate business functions that apply:

<input checked="" type="checkbox"/> Office space	<input type="checkbox"/> Printing/Engraving	<input checked="" type="checkbox"/> Warehouse
<input type="checkbox"/> Retail Store	<input type="checkbox"/> Medical Office	<input checked="" type="checkbox"/> Packaging
<input type="checkbox"/> Restaurant/Cafeteria	<input type="checkbox"/> Computer Center	<input type="checkbox"/> Assembly
<input type="checkbox"/> Auto Repair	<input type="checkbox"/> Wholesale/Distributor	<input type="checkbox"/> Fabricating
<input type="checkbox"/> Truck Repair	<input type="checkbox"/> Photo Processing	<input checked="" type="checkbox"/> Manufacturing
<input type="checkbox"/> Laundry/Dry cleaner	<input type="checkbox"/> Industrial Laundry	<input type="checkbox"/> Laboratory
<input type="checkbox"/> Auto Body Shop	<input type="checkbox"/> Car Wash	

4. Hours of Operation

Shift	Does Shift Exist	Shift Start Time	Work Days Per Week	Number of Employees		
				Office	Plant	Total
1st	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>	6 AM - 6:15 PM	5			
2nd	Yes <input type="checkbox"/> No <input type="checkbox"/>		5			
3rd	Yes <input type="checkbox"/> No <input type="checkbox"/>					

5. Does your facility have seasonal or scheduled shut down periods?

Yes ☐ No ☒

If yes, please explain: _____

6. Are there any immediate (within one year) plans to change the products or services provided that would alter the information provided above?

Yes ☐ No ☒

If yes, please explain: _____

SECTION II RAW MATERIALS

Please check all of the following chemicals or groups of chemicals which are used at your facility:

<input type="checkbox"/> Ammonia or Ammonia Compounds	<input type="checkbox"/> Acids
<input type="checkbox"/> Dyes or Coloring Agents	<input type="checkbox"/> Bases (Caustic Alkali)
<input checked="" type="checkbox"/> Oils (petroleum, vegetable or animal)	<input type="checkbox"/> Solvents (other than for cleaning)
<input checked="" type="checkbox"/> Cleaning Solvents	<input type="checkbox"/> Phenolic Compounds
<input type="checkbox"/> Soluble Metals or Metal (salt) Compounds	<input type="checkbox"/> Radioactive Elements

SECTION III PRIORITY POLLUTANT INFORMATION

1. The following list of chemicals includes the priority pollutants. If any of these elements or compounds are known to be present in your facility's operations or are a by-product, please indicate by checking the appropriate line.

ITEM	CHEMICAL COMPOUND	ITEM	CHEMICAL COMPOUND
Metallic Compounds		Base/Neutral Organic Compounds	
___	1. Antimony	Polynuclear Aromatics	
___	2. Arsenic	___	44. Acenaphthalene
___	3. Beryllium	___	45. Acenaphthylene
___	4. Cadmium	___	46. Anthracene
___	5. Chromium	___	47. Benzo (a) anthracene
___	6. Copper	___	48. Benzo (b) fluoranthene
___	7. Lead	___	49. Benzo (k) fluoranthene
___	8. Mercury	___	50. Benzo (a) pyrene
___	9. Nickel	___	51. Benzo (g,h,i) perylene
___	10. Nickel	___	52. Chrysene
___	11. Silver	___	53. Dibenzo (a,h) anthracene
___	12. Thallium	___	54. Fluoranthene
___	13. Zinc	___	55. Fluorene
Volatile Organic Compounds		___	56. Indeno (1,2,3-cd)-pyrene
___	14. Acrolein	X	57. Naphthalene
___	15. Acrylonitrile	___	58. Phenanthrene
___	16. Benzene	___	59. Pyrene
___	17. Bromomethane	Base/Neutral Organic Compounds	
___	18. Bromodichloromethane	Ethers and Esters	
___	19. Bromoform	___	60. Bis(2-chloroethyl) ether
___	20. Carbon tetrachloride	___	61. Bis(2-chloroethoxy)methane
___	21. Chlorobenzene	___	62. Bis(2-ethylhexyl)phthalate
___	22. Chloroethane	___	63. Bis(2-chloroisopropyl)ether
___	23. 2-Chloroethyl vinyl ether	___	64. 4-Bromopenyl phenyl ether
___	24. Chloroform	___	65. Butyl benzyl phthalate
___	25. Chloromethane	___	66. 4-Chlorophenyl phenyl ether
___	26. Dibromochloroethane	___	67. Diethylphthalate
___	27. 1,1-Dichloroethane	___	68. Dimethylphthalate
___	28. 1,2-Dichloroethane	___	69. Dioctylphthalate
___	29. 1,1-Dichloroethene	___	70. Di-n-butylphthalet
___	30. Trans-1,2-Dichloroethene	___	71. Isophorone
___	31. 1,2-Dichloropropane	Base/Neutral Organic Compounds	
___	32. Cis-1,3-Dichloropropene	Nitrogen Containing Compounds	
___	33. Trans-1,3-Dichloropropene	___	72. Benzidine
___	34. Ethylbenzene	___	73. 2,4-Dinitrotoluene
___	35. Methylene chloride	___	74. 2,6-Dinitrotoluene
___	36. 1,1,2,2-Tetrachlorethane	___	75. 1,2-Diphenylhydrazine
___	37. Tetrachloroethane	___	76. Nitrobenzene
___	38. 1,1,1-Trichlorethane	___	77. N-Nitrosodimethylamine
___	39. 1,1,2-Trichlorethane	___	78. N-Nitrosodi-n-propylamine
___	40. Trichlorethene	___	79. N-Nitrosodiphenylamine
___	41. Trichlorofluoromethane	Base/Neutral Organic Compounds	
___	42. Toluene	Chlorinated Hydrocarbons	
___	43. Vinyl chloride	___	80. 2-Chloronaphthalene

2. For the chemicals checked as known to be present above, please list the chemical compound by the item number and describe the amount used at your facility and the amount lost to the sanitary sewer to the extent that it is known:

[illegible]

SECTION IV WATER USAGE INFORMATION

1. Raw Water Source

Please indicate your source(s) for water. Check whether the source is metered or estimated:

SOURCE	NUMBER OF CONNECTIONS	METERED	ESTIMATED
Municipal System	ONE	X	—
Private Well	—	—	—
Other	—	—	—

2. Please name the city, which is the source of any municipal water:

DOWNERS GROVE

3. How is water used within your facility? (Please check all that apply.)

- ☒ A. Sanitary Domestic
- ☐ B. Food Service
- ☒ C. Cooling Water (Direct contact)
- ☒ D. Cooling Water (Non-contact)
- ☐ E. Boiler Feed
- ☐ F. Air Conditioning
- ☐ G. Process Water
- ☒ H. Plant Maintenance (Clean-Up)
- ☐ I. Air Pollution Equipment
- ☒ J. Landscape Watering
- ☐ K. Other (Specify) _____

4. What is the average daily process flow for your facility?

Average daily process flow: ? 1.5 UNITS

SECTION V WASTE DISPOSAL AND PRETREATMENT INFORMATION

1. Briefly describe any processes in your facility where water is recycled:

OUR DIRECT CONTACT COOLING WATER IS MIXED WITH SOLUBLE OIL IN COOLANT TANK. IT IS PUMPED TO MACHINE AND OVER ROLLING MATERIAL AND THEN DRAIN'S BACK INTO COOLANT TANK

2. Briefly describe the reclamation or recycling of materials at your facility, and list in question 4, below, the materials that are stored on site for recycling/reclamation offsite.

USED SOLUBLE OIL AND WATER MIXTURE ARE PUMPED
FROM COOLANT TANKS INTO 55 GAL. DRUMS. DUKES
OIL SERVICE THEN PUMP USED COOLANT FROM OUR DRUMS TO THEIR
TANKS ON TRUCK.

3. Is any pretreatment provided for wastewater before it is discharged to the sanitary sewer?

Yes ☐

No ☒

If yes, please check the pretreatment process or device (check as many as are appropriate):

- | | |
|--|---|
| <input type="checkbox"/> Sump | <input type="checkbox"/> Chemical Oxidation |
| <input type="checkbox"/> Septic Tank | <input type="checkbox"/> Chemical Precipitation |
| <input type="checkbox"/> Grease Trap | <input type="checkbox"/> Reverse Osmosis |
| <input type="checkbox"/> Triple Trap | <input type="checkbox"/> Ion Exchange |
| <input type="checkbox"/> Grit Removal | <input type="checkbox"/> Ozonation |
| <input type="checkbox"/> Sedimentation | <input type="checkbox"/> Chlorination |
| <input type="checkbox"/> Flow Equalization | <input type="checkbox"/> Solvent Separation |
| <input type="checkbox"/> Filtration | <input type="checkbox"/> Spill Protection |
| <input type="checkbox"/> Neutralization, pH Correction | <input type="checkbox"/> Air Flotation |
| <input type="checkbox"/> Silver Recovery | <input type="checkbox"/> Centrifuge |
| <input type="checkbox"/> Absorption | <input type="checkbox"/> Cyclone |
| <input type="checkbox"/> Distillation & Stripping | <input type="checkbox"/> Other Chemical Treatment |
| <input type="checkbox"/> Evaporation | Type _____ |
| <input type="checkbox"/> Other Physical Treatment | <input type="checkbox"/> Other Biological Treatment |
| Type _____ | Type _____ |

4. List all materials which are collected and/or stored for special or hazardous waste disposal or for recycling/reclamation:

Physical State (Liquid, Solid (tank, drum, etc.) or Gas)	Type of Storage Container	Quantity Disposed of During Calendar 1992	Disposal Method
<u>Liquid</u>	<u>DRUMS (WATER OIL)</u>	<u>1600 GAL'S</u>	<u>RECLAIM</u>
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

5. What is the name of your regular refuse hauler? Dukes
6. Has your facility submitted a spill containment or emergency response plan to the District?

Yes ☐No ☒

If yes, please submit any changes to this plan. If no plan has been submitted, and one is required for your facility, we will send you a checklist for this activity.

SECTION VI. MISCELLANEOUS INFORMATION

1. Other Permit Information

Does your facility have an NPDES (National Pollutant Discharge Elimination System) permit for a surface water discharge?

Yes ☐No ☒

If yes, permit number(s) _____

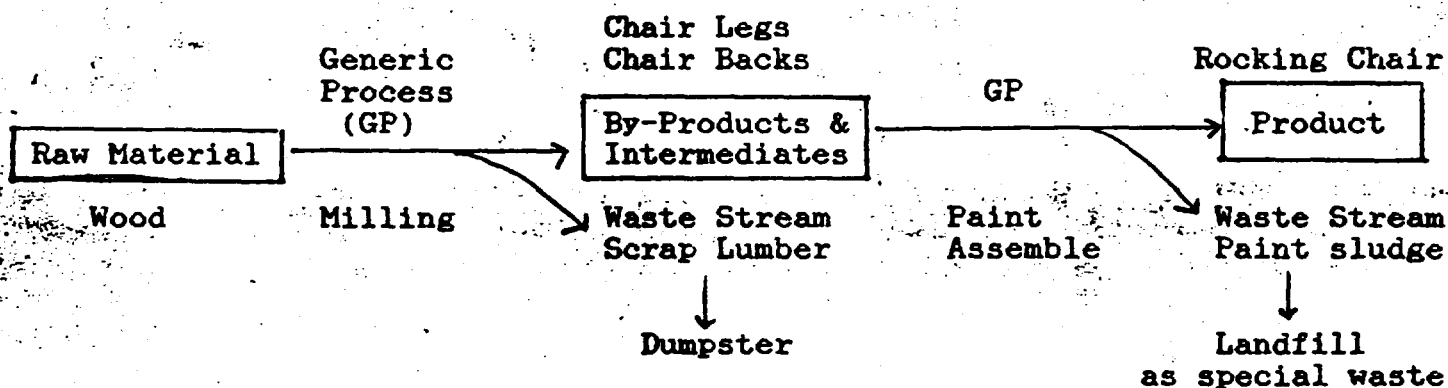

Does your facility have a state air pollution permit?

Yes ☐No ☒

If yes, permit number(s) _____

2. Process Flow Schematic

Please attach a flow chart of your major production process or service procedures, including the raw materials, products and wastestreams generated. The following is an example:

Raw materials may include feedstock, purchased materials which you further assemble, repackage, fabricate with, etc.

Generic processes may include chemical reactions by generic name, finishing operations, printing, packaging, assembly, etc.

Waste streams should include discharges to air, waterways, sanitary sewers, solid waste and re-use or recycled materials.

REVIEW COMMENTS:

- * PROPER SHIPPING DESCRIPTION WAS BASED ON THIS SINGLE ANALYSIS. GENERATOR
- * MUST CERTIFY THAT SHIPMENT IS NOT HAZARDOUS. PER COMPANY POLICY, FRS
- * CUSTOMERS MUST COMPLETE GENERATOR CERTIFICATION WITH EACH SHIPMENT
- * AND BRANCH WILL FILE IN CUSTOMER RECORDS.
- * OK FOR FUEL. WASTE SHIPPED IN DRUMS FROM THE CUSTOMERS SITE NEED TO BE
- * EQUIPPED WITH A BUNG ON THE TOP LID PRIOR TO SHIPMENT. DRUMS RECEIVED FROM
- * THE CUSTOMER LACKING BUNGS WILL BE RETURNED TO THE CUSTOMER BY THE SK TSDF.
- * OK FOR SAFETY-KLEEN OIL SERVICES (SKOS) USED OIL.
- * RECEIVED A GENERATOR WASTE DETERMINATION CERTIFICATION FORM FOR
- * NON-HAZARDOUS APPROVAL. HOWEVER, THIS FORM WAS NOT USED IN THE EVALUATION
- * BECAUSE THE WASTE IS AN EXEMPT USED OIL, OILY WATER OR OILY ABSORBANT AND IS
- * EXEMPT FROM TCLP REGULATIONS.
- * ANALYTICAL COMMENTS: NVR ESTIMATED BY DIFFERENCE ON TOTAL

THIS SERVES AS NOTICE PER FEDERAL AND STATE REGULATIONS THAT EACH FACILITY
NOTED ABOVE HAS THE APPROPRIATE PERMITS, CAPABILITIES, CAPACITY, AND IS
WILLING TO ACCEPT THE MATERIAL AS DESCRIBED IN THE APPROVAL SECTION.
IT IS THE RESPONSIBILITY OF THE GENERATOR TO NOTIFY SAFETY-KLEEN CORP. OF
ANY CHANGES IN THE PROCESS GENERATING THIS WASTE STREAM.

MATERIAL SAFETY DATA SHEET

TOWER OIL & TECHNOLOGY COMPANY
205 WEST RANDOLPH STREET
CHICAGO, ILLINOIS 60606

PRODUCT NAME: RUSTBEAT 198
CHEMICAL NAME: N/A
CHEMICAL FAMILY: HYDROCARBON
FORMULA: N/A

INFORMATION PHONE: 1-312-346-0562
EMERGENCY PHONE: 1-800-424-9300 (CHEMTREC)

HMIS/NFPA HAZARD	
HEALTH:	1
FLAMMABILITY:	2
REACTIVITY:	0

I. PHYSICAL DATA

BOILING POINT: IBP 310-320°F
VAPOR PRESSURE: 2 mm Hg
SOLUBILITY IN WATER: Negligible
EVAPORATION RATE: 0.08 (BA = 1)
SPECIFIC GRAVITY: 0.80 (WATER = 1)
PERCENT VOLATILE BY VOLUME: 92 (VOC = 708 GRAMS/LITER)
APPEARANCE: Dark amber liquid
ODOR: Mild hydrocarbon
VISCOSITY: N/A
VAPOR DENSITY: 5.05 (AIR = 1)

II. HAZARDOUS INGREDIENTS

MATERIAL	%	ACGIH TLV	OSHA PEL	CAS #
Petroleum distillate	92	100ppm	100ppm	64742-47-8

III. FIRE AND EXPLOSION DATA

FLASH POINT: Typical 105°F TCC

FLAMMABLE LIMITS - LOWER: 1.0% UPPER: 6.0%

EXTINGUISHING MEDIA:

Carbon dioxide, foam, dry chemical, water fog or spray.

SPECIAL FIRE FIGHTING PROCEDURES:

Cool containers with cold water to prevent rupture. Use water spray to disperse vapors if a spill has not ignited. Minimize breathing fumes. Employ supplied supplied-air breathing equipment in confined areas. Extinguish all naked flames.

UNUSUAL FIRE AND EXPLOSION HAZARDS:

None known.

IV. REACTIVITY DATA

STABILITY: Stable

CONDITIONS TO AVOID: N/A

INCOMPATIBILITY: Strong oxidizing agents.

HAZARDOUS DECOMPOSITION PRODUCTS:

Oxides of carbon upon combustion.

HAZARDOUS POLYMERIZATION: Will not occur.

CONDITIONS TO AVOID: N/A

V. HEALTH HAZARD DATA

TLV (THRESHOLD LIMIT VALUE): 100 ppm

CARCINOGENICITY:

None of the constituents of this product have been identified as possible or proven carcinogens by NTP, IARC, or OSHA.

-EFFECTS OF OVEREXPOSURE-

ACUTE:

Drying and defatting of skin. Eye irritation. Excessive inhalation may cause anesthesia, dizziness, nausea, upper respiratory tract irritation.

CHRONIC:

Prolonged or repeated skin contact may tend to remove natural oils, resulting in development of dermatitis.

-EMERGENCY FIRST AID PROCEDURES-

INHALATION: Remove to fresh air, apply artificial respiration. Call physician.

INGESTION: Do not induce vomiting. Call MD.

EYE CONTACT: Flush with water for 15 minutes or until irritation subsides.

SKIN CONTACT: Wash with warm water and mild soap.

VI. SPILL AND LEAK PROCEDURES

IF MATERIAL IS RELEASED OR SPILLED:

Extinguish all sources of ignition. Flush with water into retaining area and soak up in absorbent medium. Transfer to suitable containers. If spill enters sewer, notify Authorities.

WASTE DISPOSAL:

Disposal procedure must be in accordance with LOCAL, STATE & FEDERAL REGULATIONS.

VII. SPECIAL PROTECTION INFORMATION

RESPIRATORY PROTECTION: If TLV is exceeded, use NIOSH/MSHA approve air-supplied respirator.

PROTECTIVE GLOVES: Neoprene. Nitrile rubber.

EYE PROTECTION: Splash goggles.

OTHER PROTECTIVE EQUIPMENT:

Chemical resistant apron if exposure is likely to be frequent or prolonged.

-VENTILATION-

LOCAL EXHAUST: To maintain below TLV.

SPECIAL: N/A

MECHANICAL (GENERAL): To maintain below TLV.

OTHER: N/A

VIII. SPECIAL PRECAUTIONS

PRECAUTIONS TO BE TAKEN IN HANDLING AND STORING:

Keep closures tight and containers upright. Keep closed when not in use. Do not transfer to unmarked containers. Store in cool conditions and away from sources of ignition. Use with adequate ventilation.

PERSONAL HYGIENE - Minimize breathing vapors. Wash thoroughly before meals and at end of work periods. Launder or dry-clean soiled clothing before reuse.

IX. ENVIRONMENTAL REGULATIONS/FEDERAL EPA

SARA III (Superfund Amendment and Reauthorization Act of 1986)
40 CFR Part 372 and 40 CFR Part 355

Sections 302, 304 and 40 CFR Part 355 - Extremely Hazardous Substances:

COMPONENT	%	RQ (lbs.)	TPQ (lbs.)	CAS #
NONE	-	-	-	-

Sections 311, 312 and 40 CFR Part 355 - Hazard Categories:

ACUTE (IMMEDIATE HEALTH HAZARD):	YES	FIRE HAZARD:	YES
CHRONIC (DELAYED HEALTH HAZARD):	NO	REACTIVE HAZARD:	NO
SUDDEN PRESSURE RELEASE:	NO		

Section 313 and 40 CFR Part 372 - Toxic Chemicals:

COMPONENT	%	CAS #
NONE	-	-

CERCLA (Comprehensive Environmental Response, Compensation and Liability Act)

Section 102 and 40 CFR Part 302 - Hazardous Substances:

COMPONENT	%	RQ (lbs.)	CAS #
NONE	-	-	-

CLEAN WATER ACT

Under section 311 (b) (4) of this act, contamination of surface waters by petroleum products must be reported immediately to the National Response Center.

SECTION 311 (b) (4) DOES APPLY TO RUSTBEAT 198.

X. STATE RIGHT-TO-KNOW

TSCA (Toxic Substances Control Act) Status

All components of this formula are included in the TSCA inventory.

HMIS/NFPA HAZARD: 4 = SEVERE 3 = SERIOUS 2 = MODERATE 1 = SLIGHT 0 = MINIMAL

N/D = NOT DETERMINED **N/A** = NOT APPLICABLE **<** = LESS THAN **>** = GREATER THAN

The information appearing in this document is based upon data obtained from raw material manufacturers and/or recognized technical sources.
